

A Fairy's Tale

I have my doubts.

One can't trust the word of wizards anymore.

They're more jesters than scholars these days...

BY TIBT © 2024

The birds are flying low, me thinks.

he he he

Might
the rumors
be true after
all?

Help me,
Dar...

My
imagination is
getting the
best of me.

What is...?

OUCH!

BONK!

BY TIBT © 2024

Faen!

This tree
doesn't bear
acorns...

How...?

Alright,
show yourself,
fiend!

I know that
you're...

he he he he

Hells!

By the three!

This forest truly is haunted!

BY TIBT © 2024

I need to...

Ugh!

TRIP

Giv, help me!

Swirl

Float!

What...?

He He
He He

THUD

Ghahhhh!

Bug?

Clearly something is wrong with your eyes!

So, I guess it's fine.

Though some of my friends are bugs.

And I'm not a bug!

I'm Aurin.

Nice to meet you.

Vul, help me...

It can't be.

Oh, you mind me flying around your head?

Is this better?

Can you hear me alright?

Shall I talk louder?

I've never met a real human before...

So, I don't know how well you hear.

Giv have mercy!

How can something so small...

... be so annoying?!

Ha! Ha!

Almost got me!

SMACK!

This was fun!

I like this game.

Let's play another round.

Hey, where are you going?

Don't you want to try again?

Sigh

Listen, Fairy!

I am needed elsewhere, so...

Aurin!

My name is Aurin.

I already told you, but you seem to have missed that.

Are all humans bad at listening?

I never told you my name!

Now go away!

Nah, I don't want to.

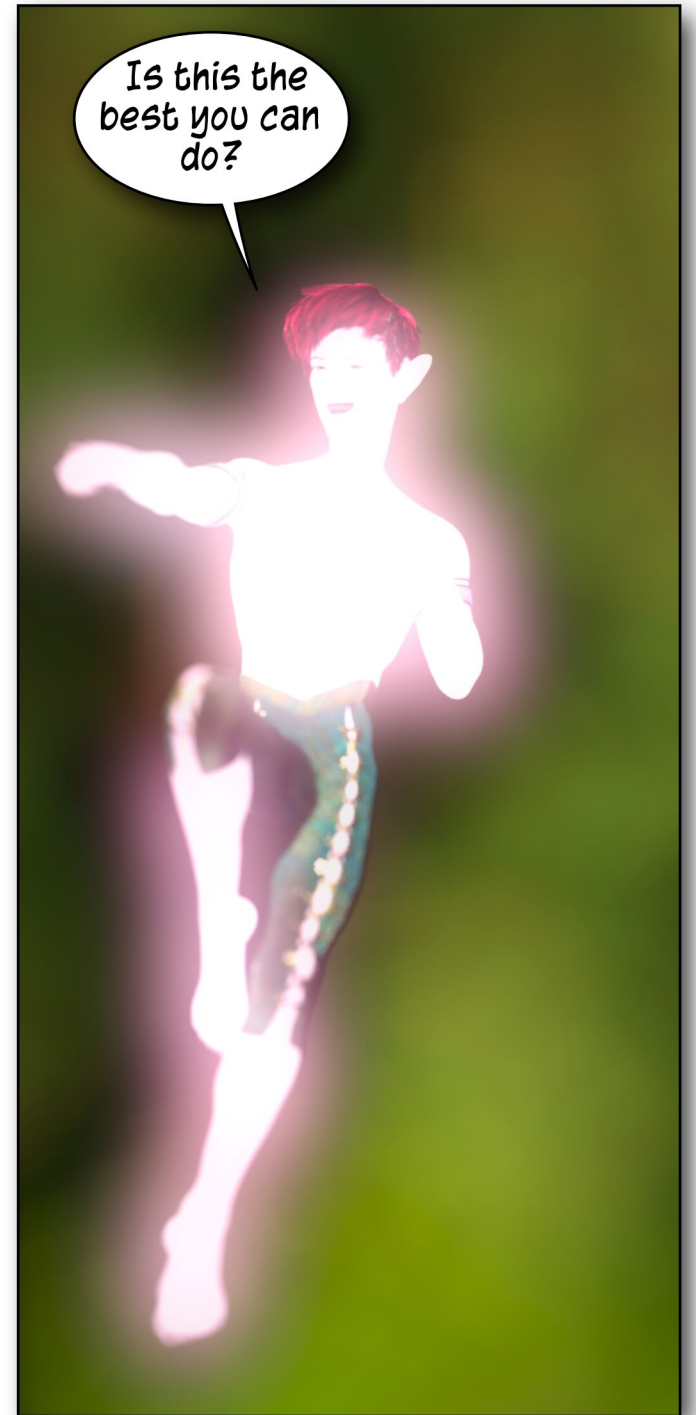

I never had the chance to play with a real human before.

That's fine, I didn't catch your name as well.

He He He

I swear to Vul, leave or you'll regret it!

As if you could catch me!

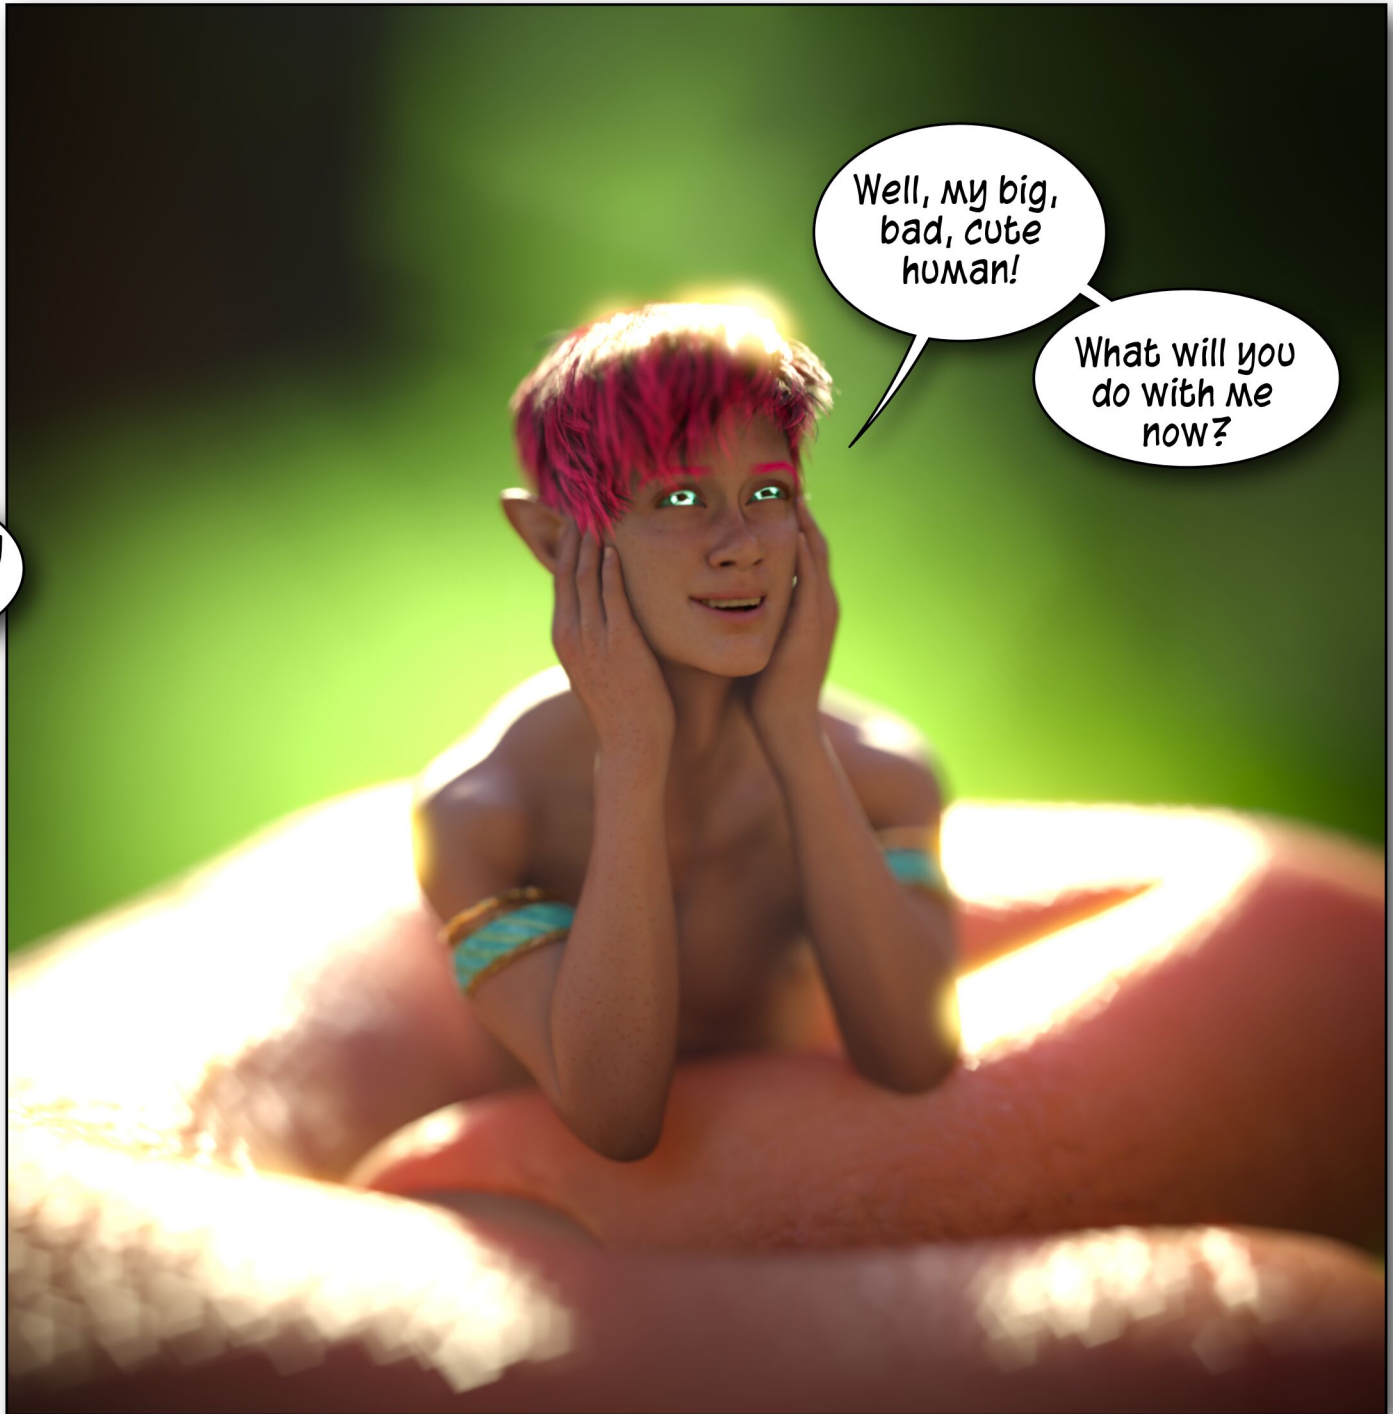

Ha!

I got you now, pesky creature!

snatch!

Took you long enough.

He
He
He

Well, my big, bad, cute human!

What will you do with me now?

Find something to glue your trap shut, I will.

Oh?

Am I talking too much?

BY TIBT © 2024

Is water wet?

Ohhh!

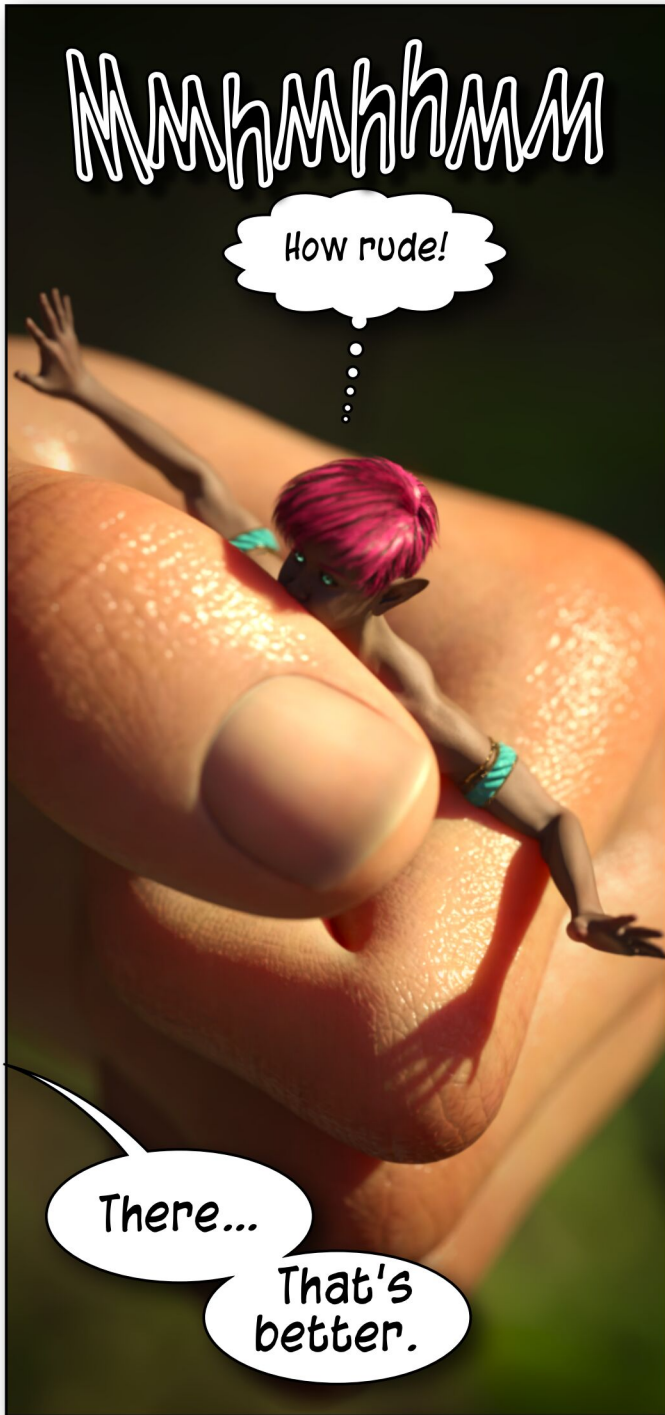

Interesting question!

I am tempted to answer yes, but I am suspecting it to be a trick...

Shut up!

Shut up!

Your voice makes my head hurt!

Mmmhmmhmm

How rude!

There...

That's better.

BY TIBT © 2024

Now what to do...?

I probably should just squish you...

Then again...

One of the mages might pay good coin for a wild fairy.

I'm sure they have uses for a magical being.

Even one as annoying as you...

Uh, no!

Bad idea!

Human
magic sounds
boring!

I have a
better idea.

Let's see
how much my
voice can really
hurt your
head!

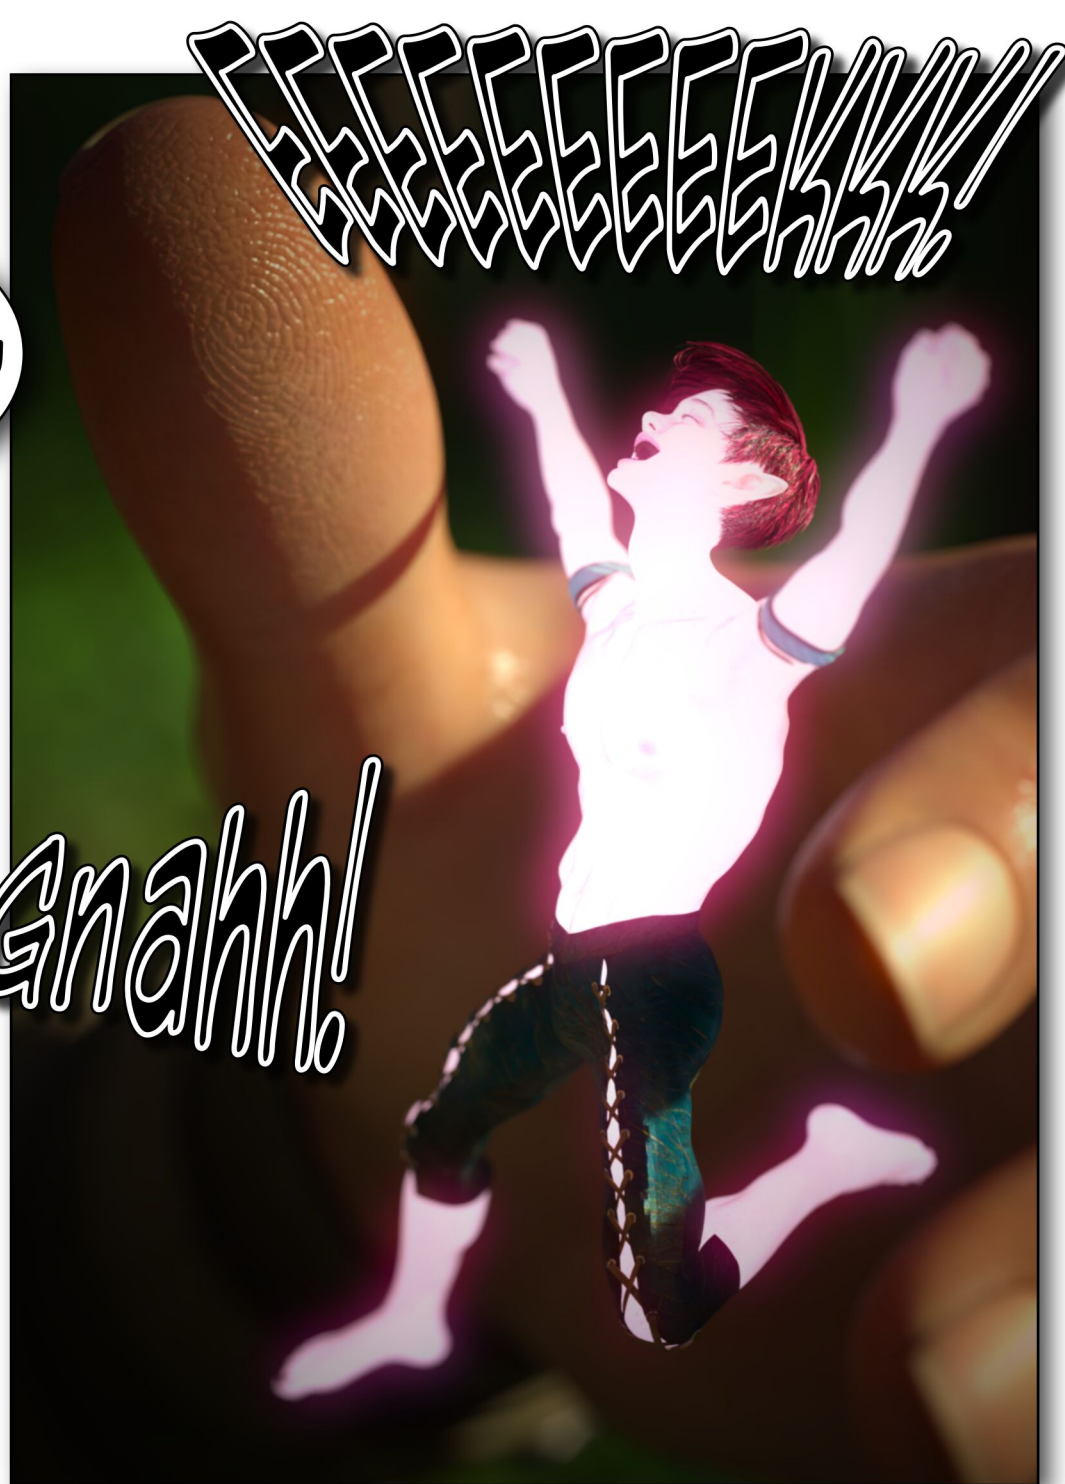

Listen!

push!

Wh-what?

How are
you...?

BY TIBT © 2024

Gnaah!

Faen!

My ears!

Infernal
beast!

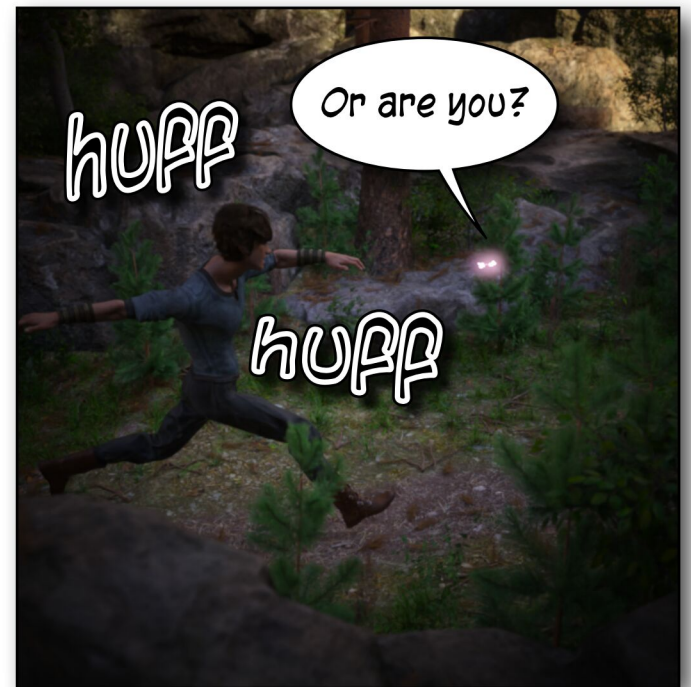

He
He
He
He

Very much, it
seems.

He
He
He
He

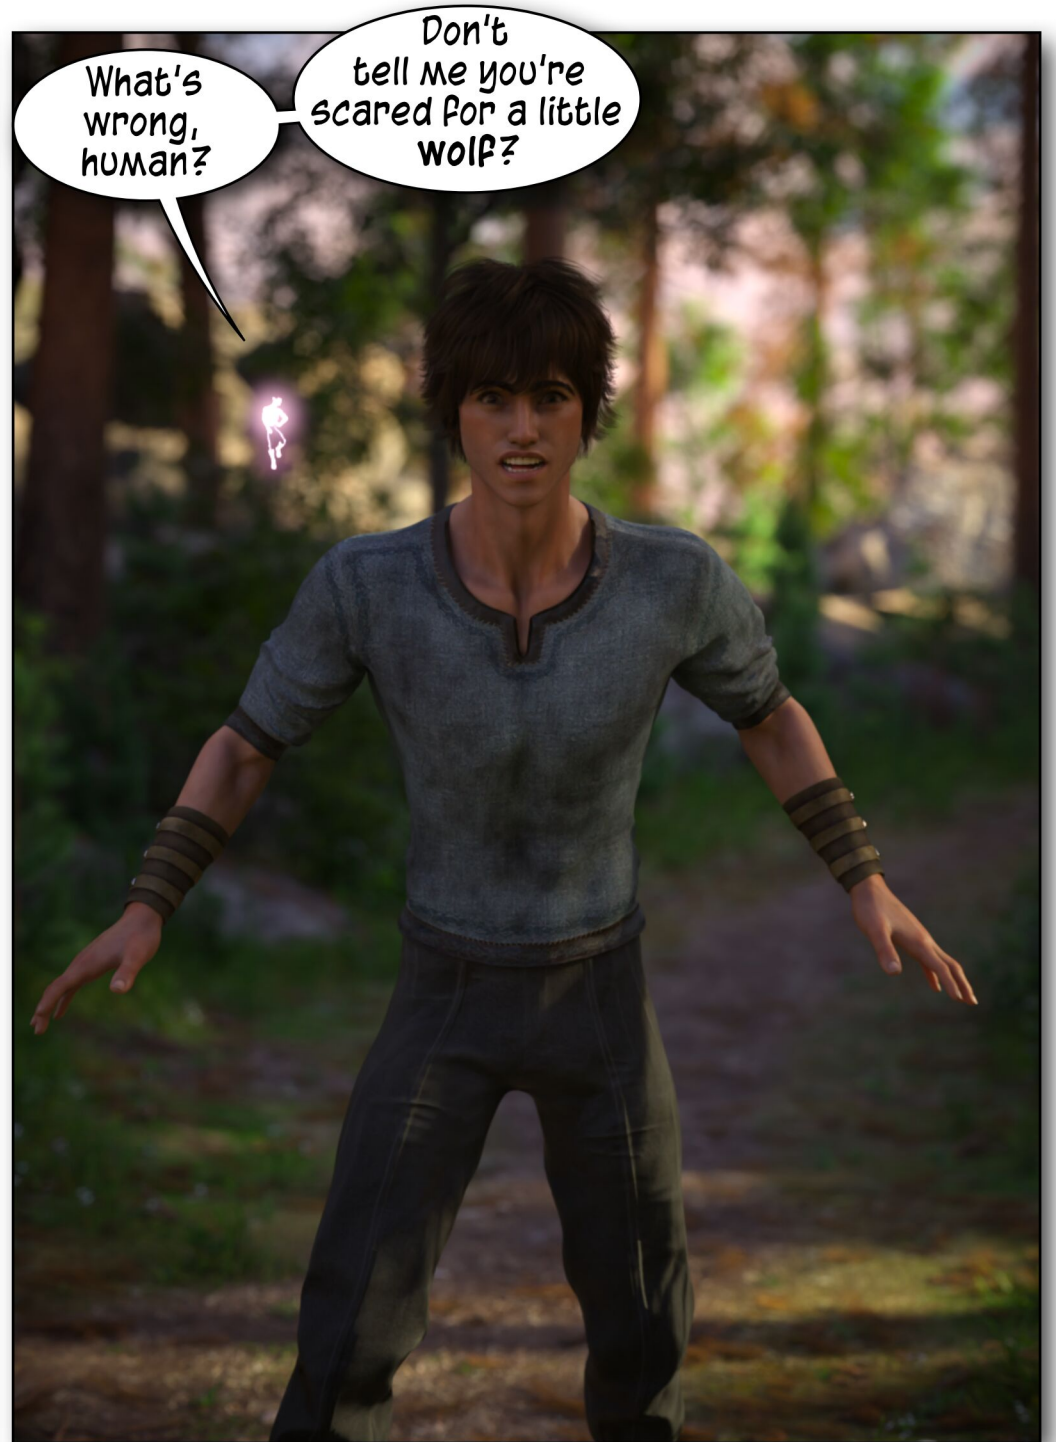

Come
back, you
little...!

BY TIBT © 2024

Nooooooo!

swirl!

UGH!

ZAP!

RAAAWWW...?

Schriip!

BY TIBT © 2024

PUPP!

?!?

BY TIBT © 2024

BY TIBT © 2024

But...

Why is it running?

Dar, no!

pant

pant

pant

Giv, please! Not like this!

pant

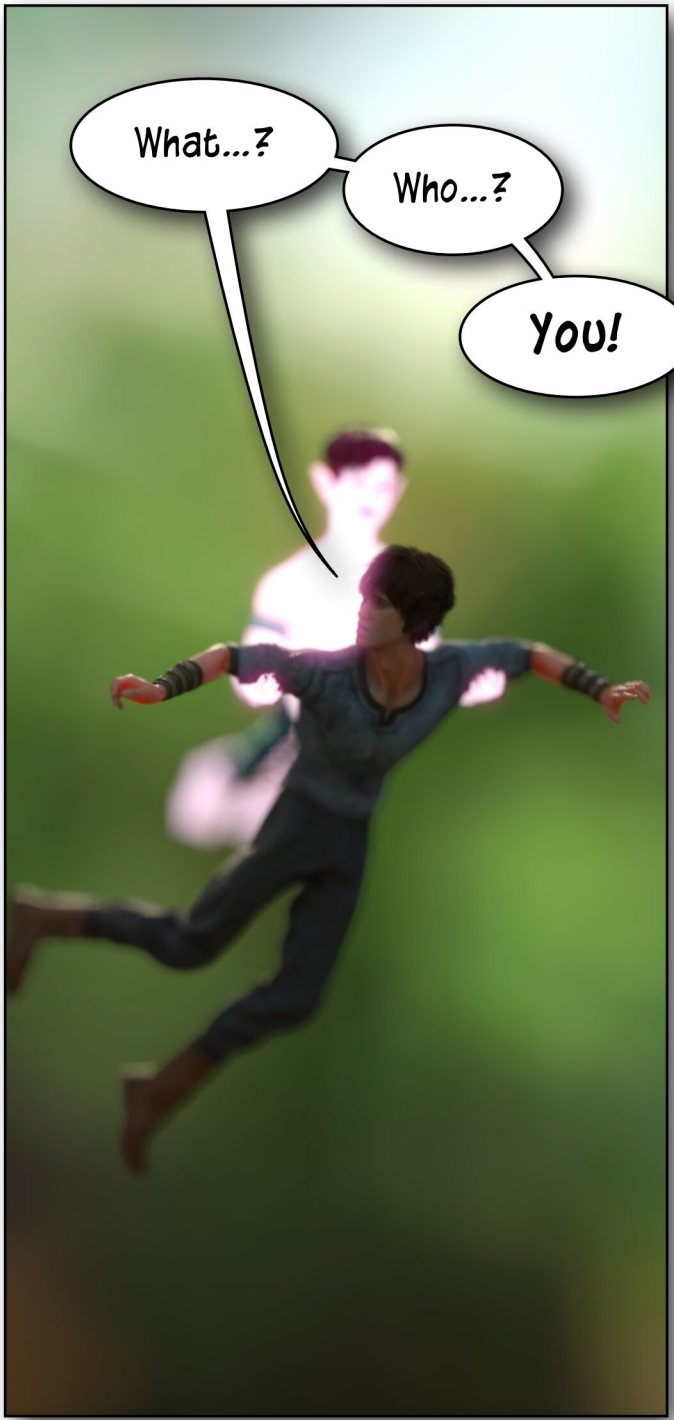

By Vu!

CLAP!

gasp!

SWOOP!

What...?

Who...?

You!

You...

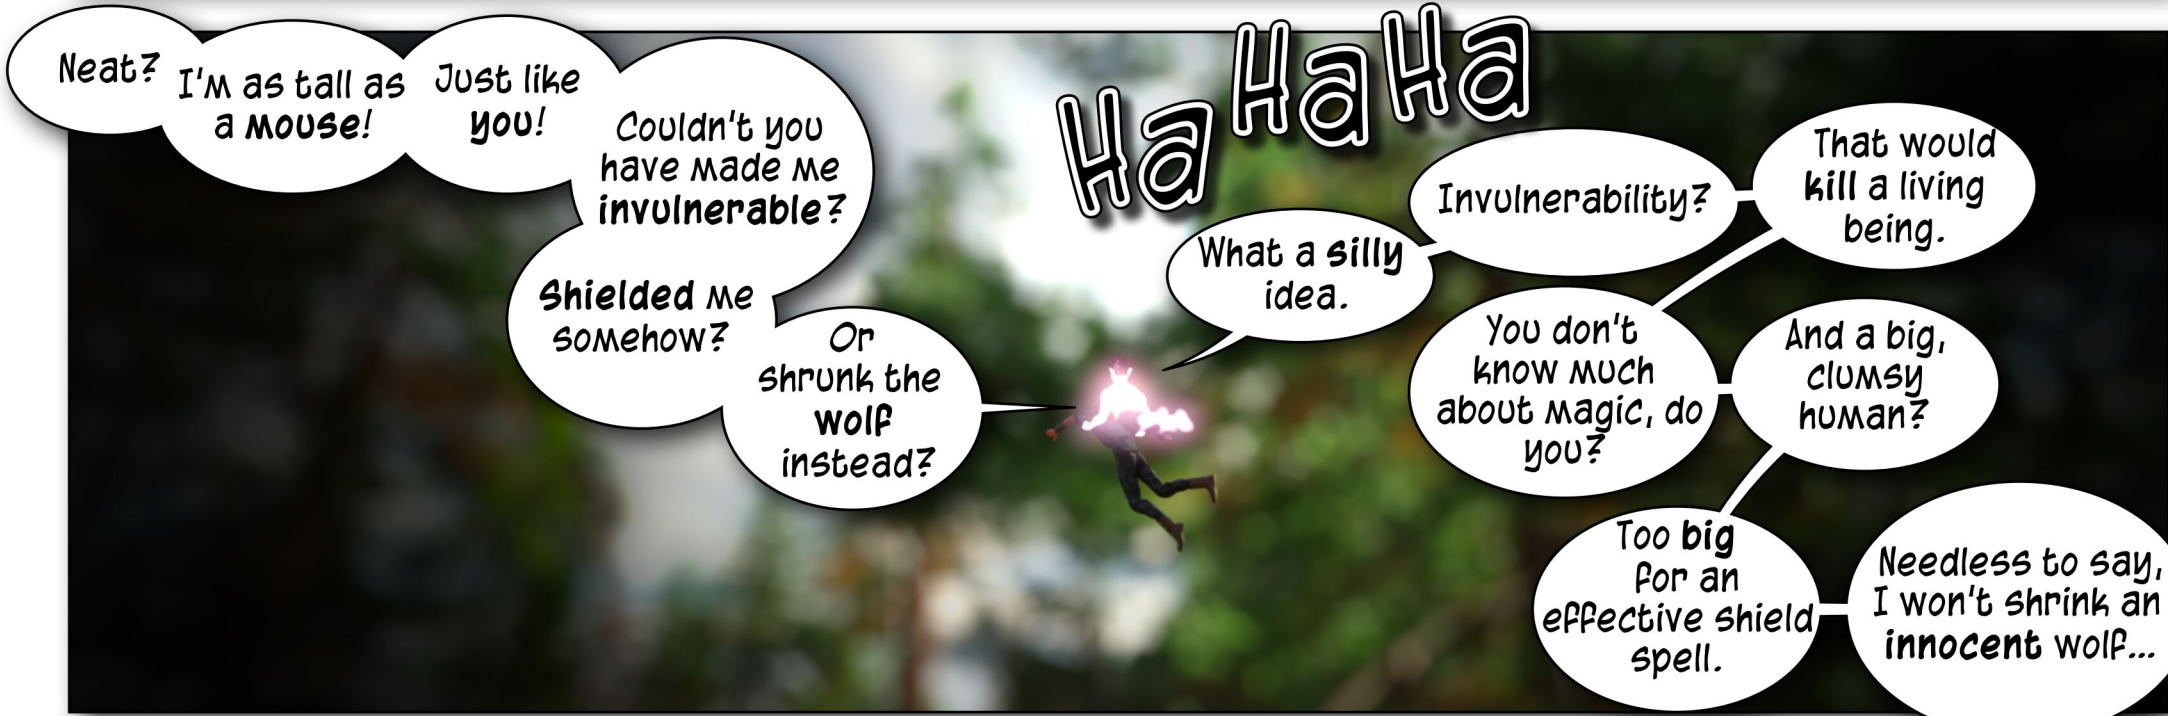

You've shrunk me!

Yes, I did.

Neat trick, wouldn't you say?

Can't human mages do that too?

You seem to be quite surprised.

Ha Ha Ha

Neat? I'm as tall as a mouse!

Just like you! Couldn't you have made me invulnerable?

Shielded me somehow?

Or shrunk the wolf instead?

What a silly idea.

Invulnerability?

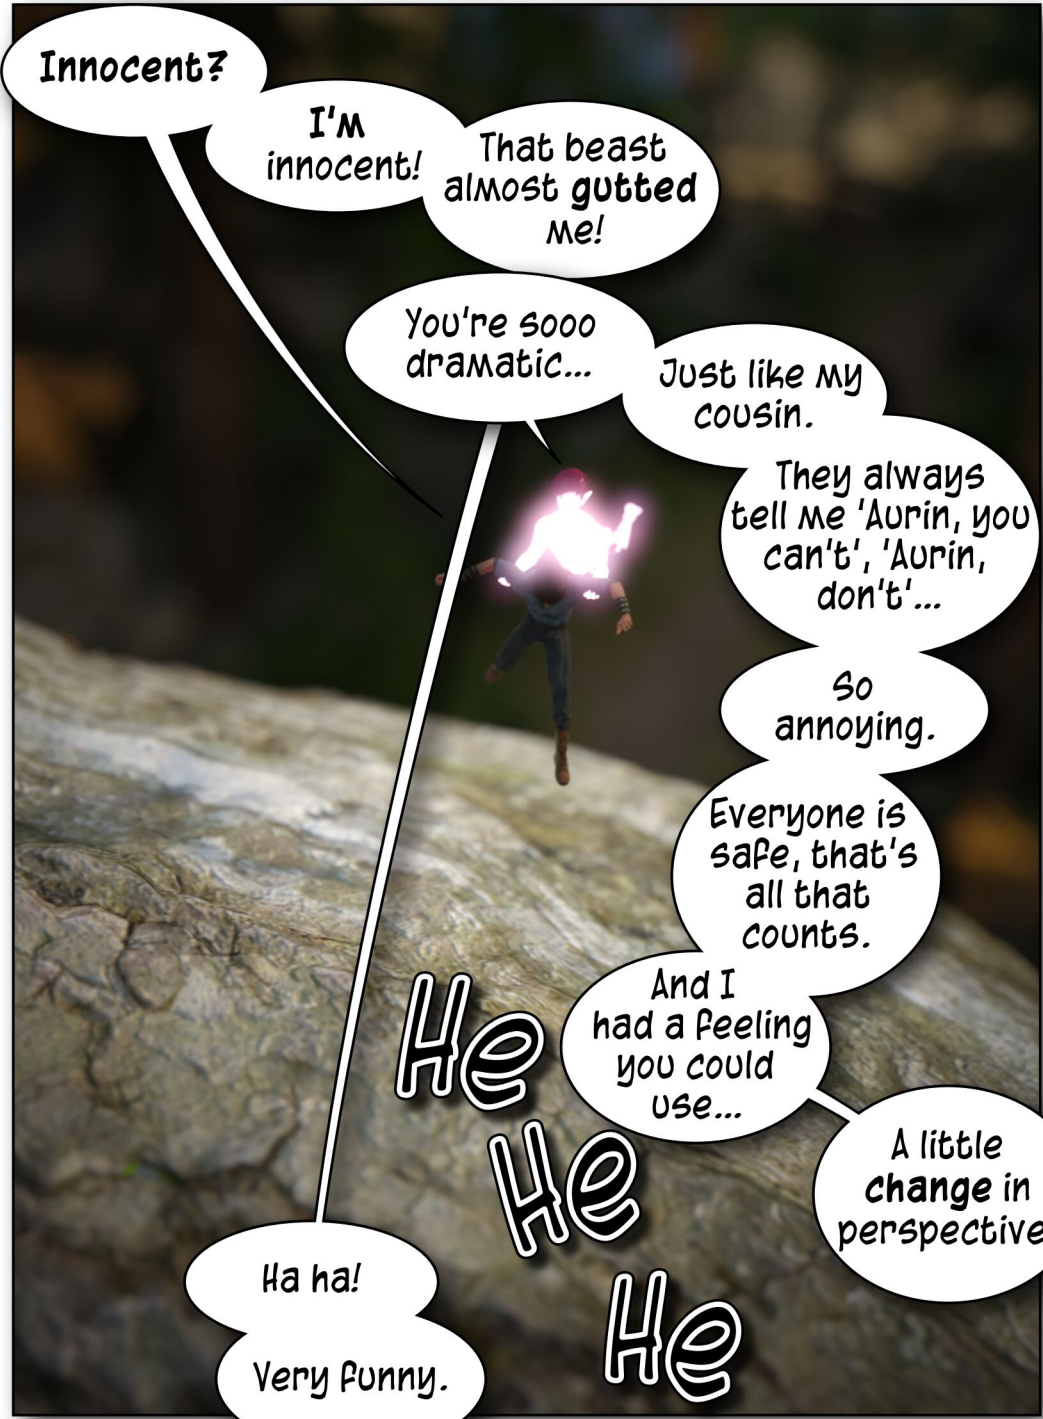

That would kill a living being.

You don't know much about magic, do you?

And a big, clumsy human?

Too big for an effective shield spell.

Needless to say, I won't shrink an innocent wolf...

BY TIBI © 2024

Is this... bark?

Wait...

We're on a tree?!

Yes, we are.

Why?

Don't you like trees?

Why would you go through a forest then?

Or is it something else?

You aren't afraid of heights, are you?

It's more a fear of plunging to one's death...

Yes.

No way I'd survive falling from up here.

I bet you would.

You look quite sturdy.

And being small has benefits.

...

Squirrels are not much taller, and they jump down all the time.

So do beetles...

And...

Okay, enough!

You saved me.

So thank you.

But I'd really like to be my true size again.

Do you now?

Why do we have to rush things?

It's far easier to talk to you this way.

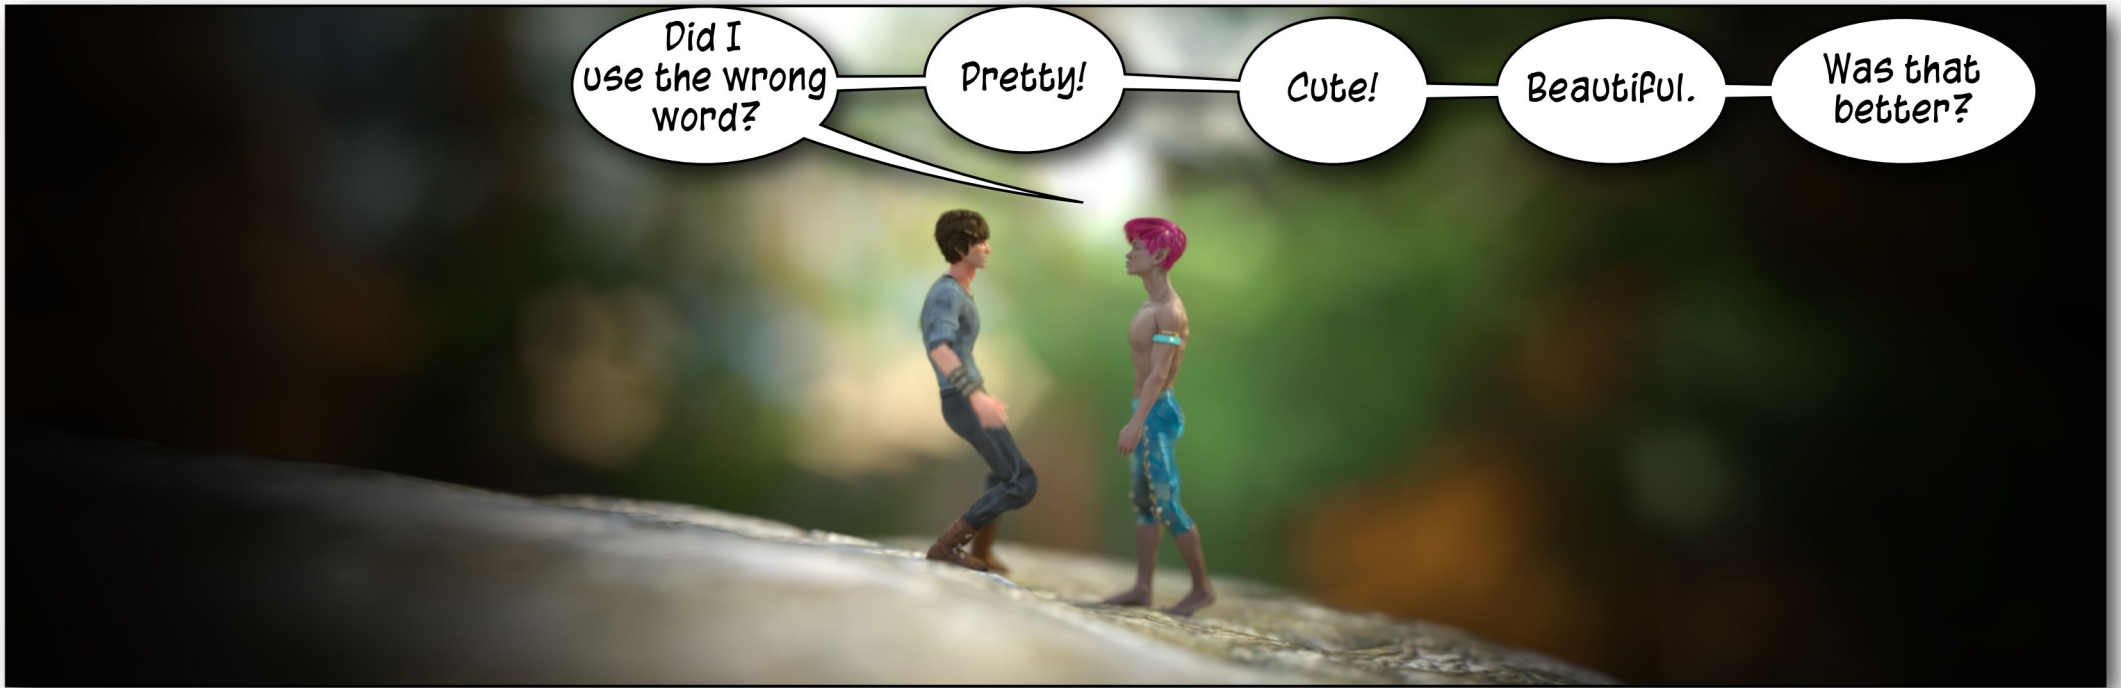

I was never sure at which of your eyes I should look.

So confusing.

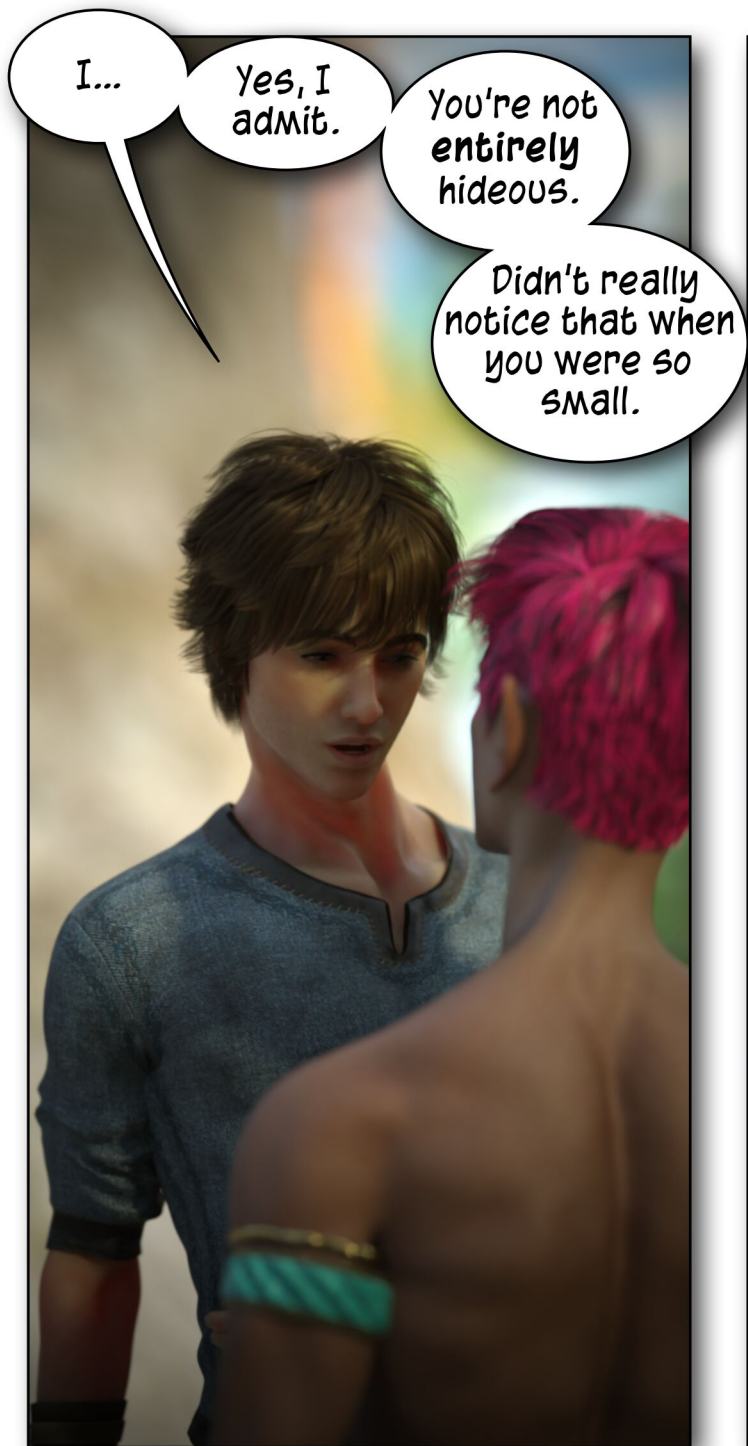

This is much better!

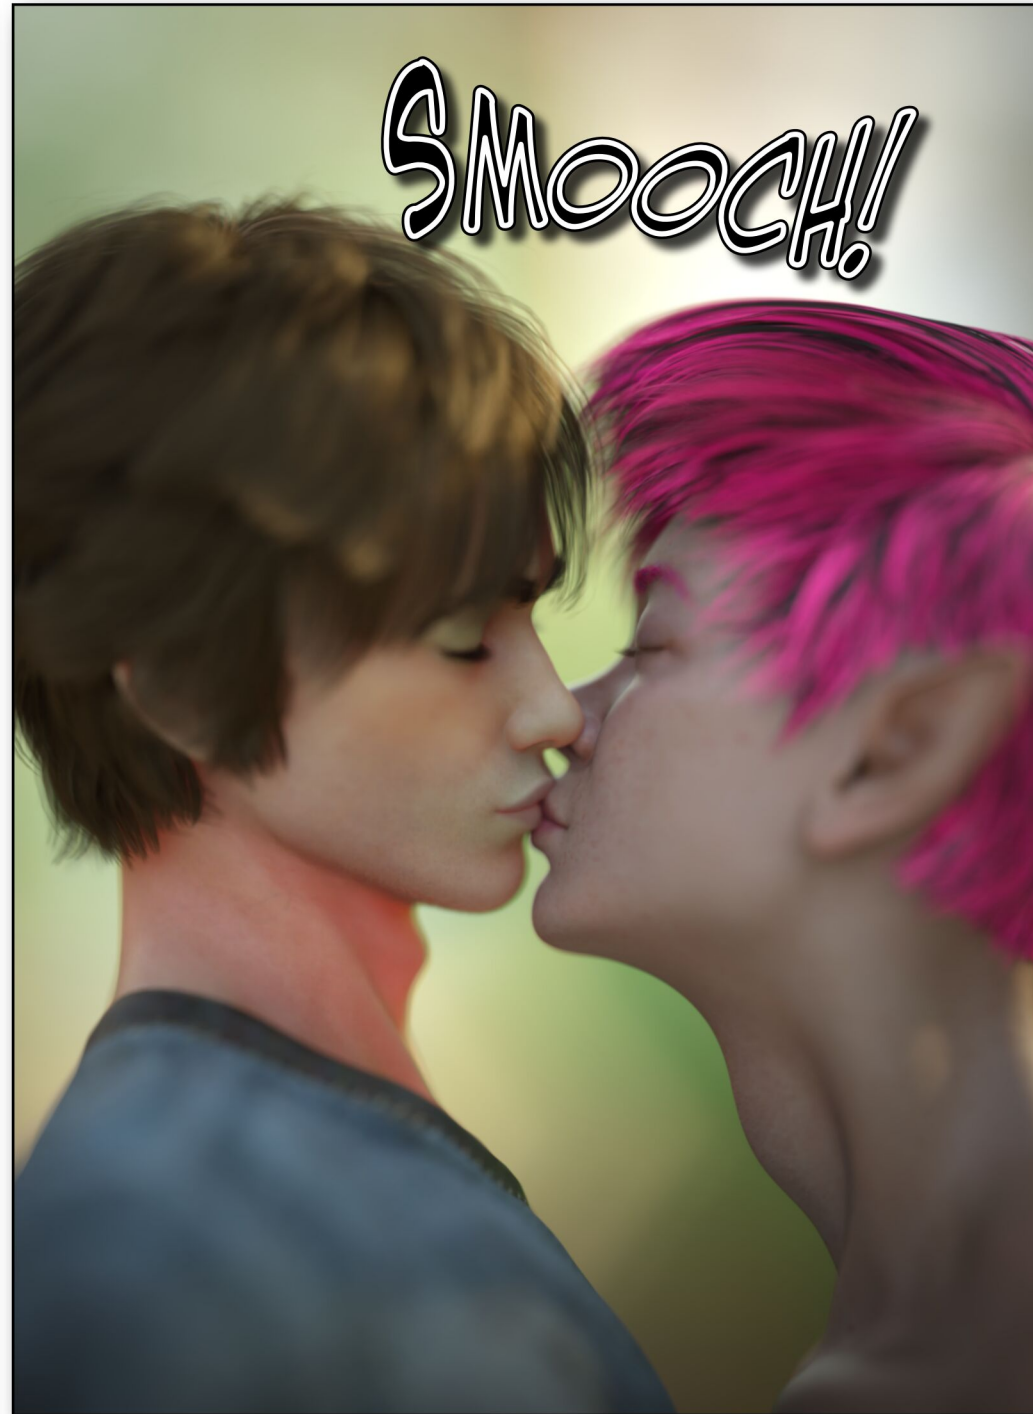

Looks like you've lost your ability to talk.

It doesn't matter.

You won't need it for now.

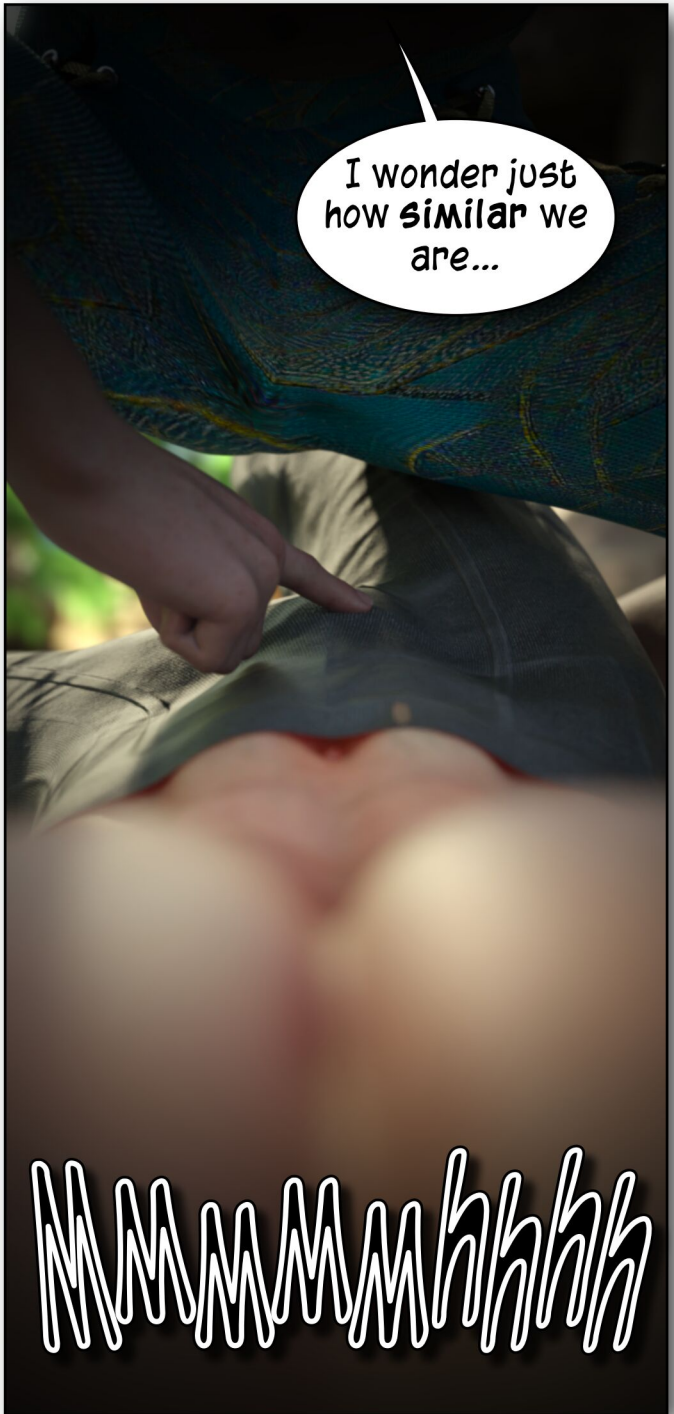

SMOOCH!

Yes...

Very handsome indeed.

I wonder just how similar we are...

~~~~~hkhkh

roll

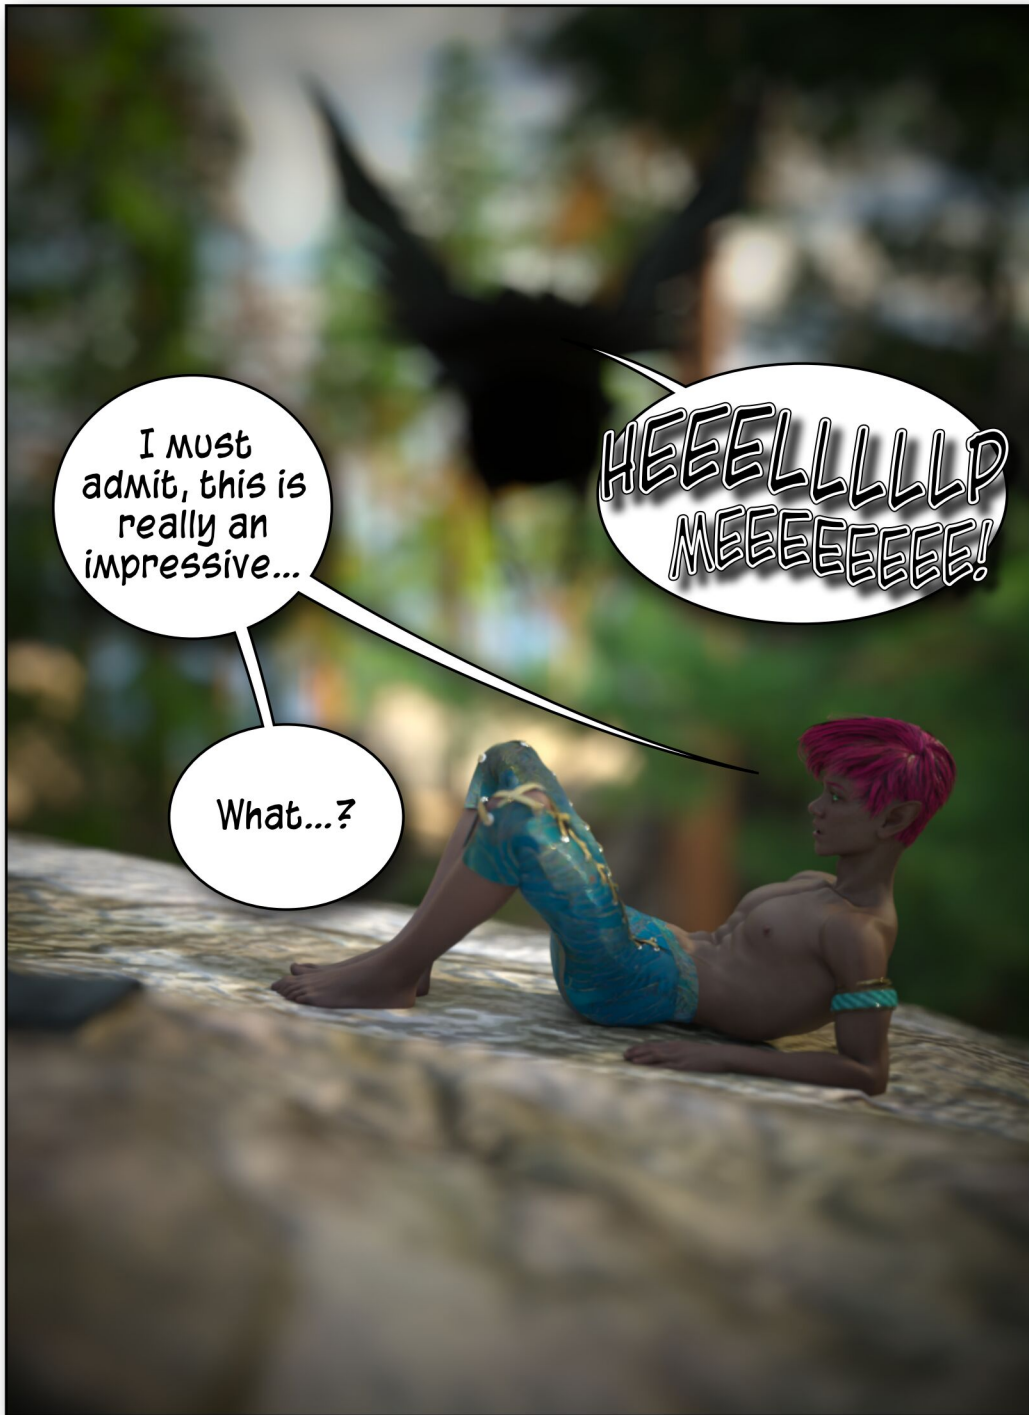

It looks like we're wondering the same thing.

He He He

He regained his speech!

Now let me show you some human magic...!

Protection charm?

Counter ward?

Anyway...

I'm not out of ideas yet!

Brace yourself!

ZAP!

Ahhhhhhh!

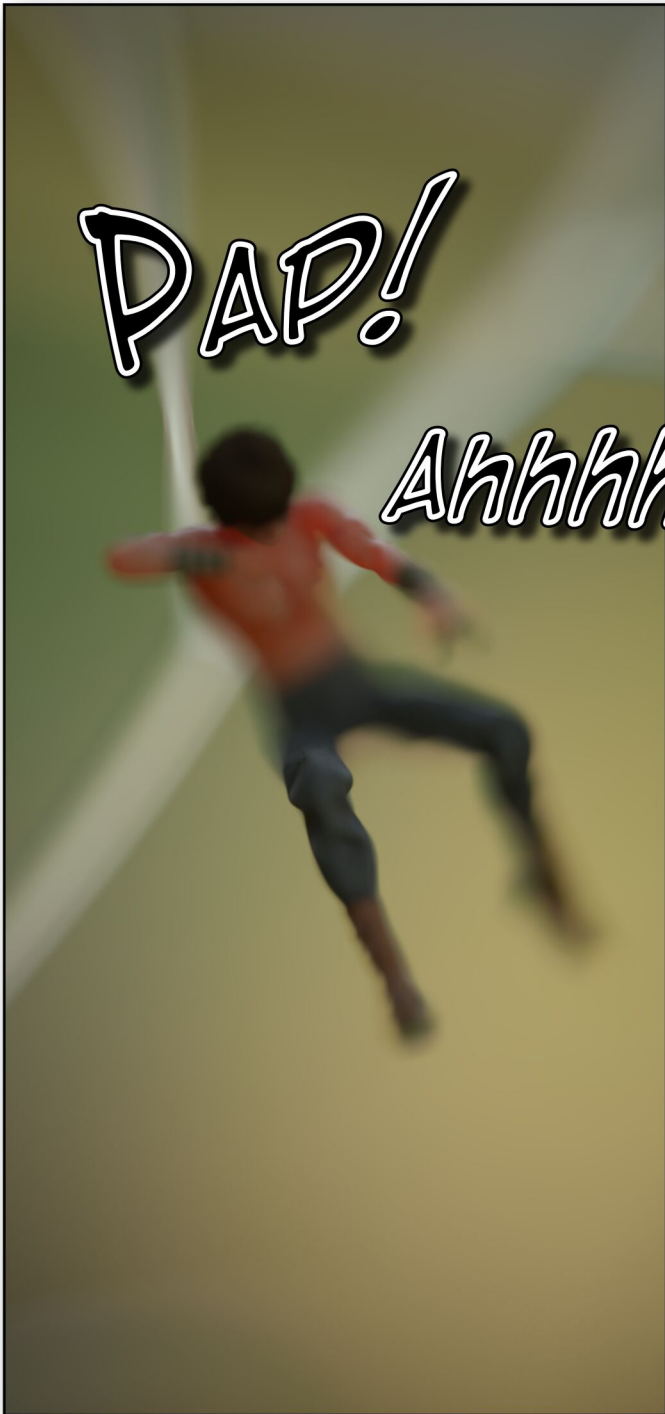

**BY TIBT © 2024**

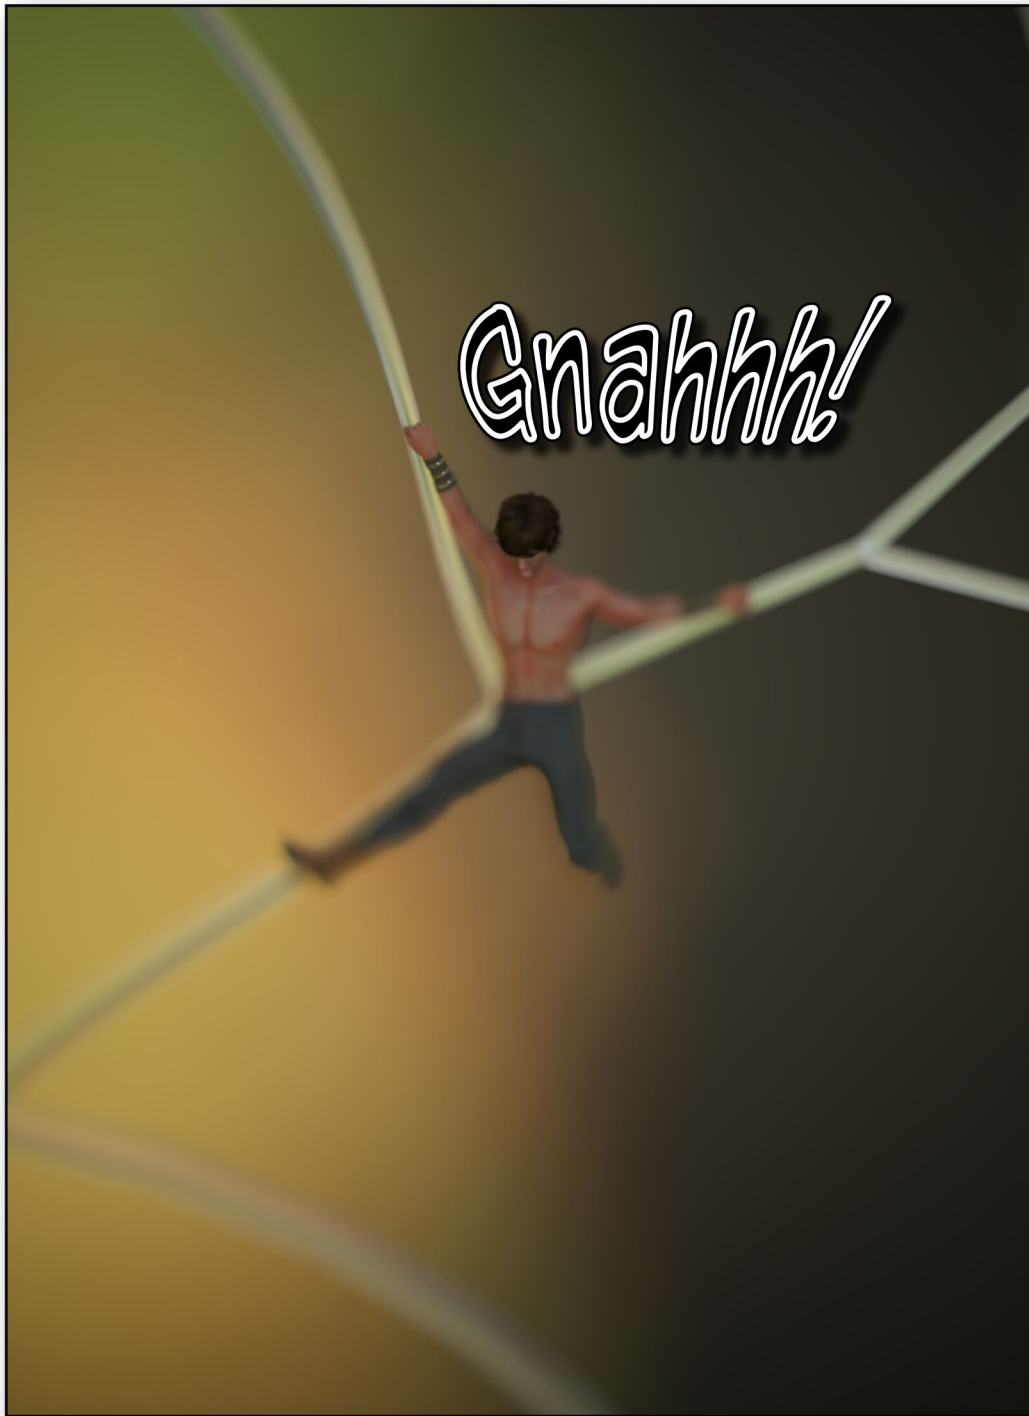

**DAD!**

**Ahhhhhh!**

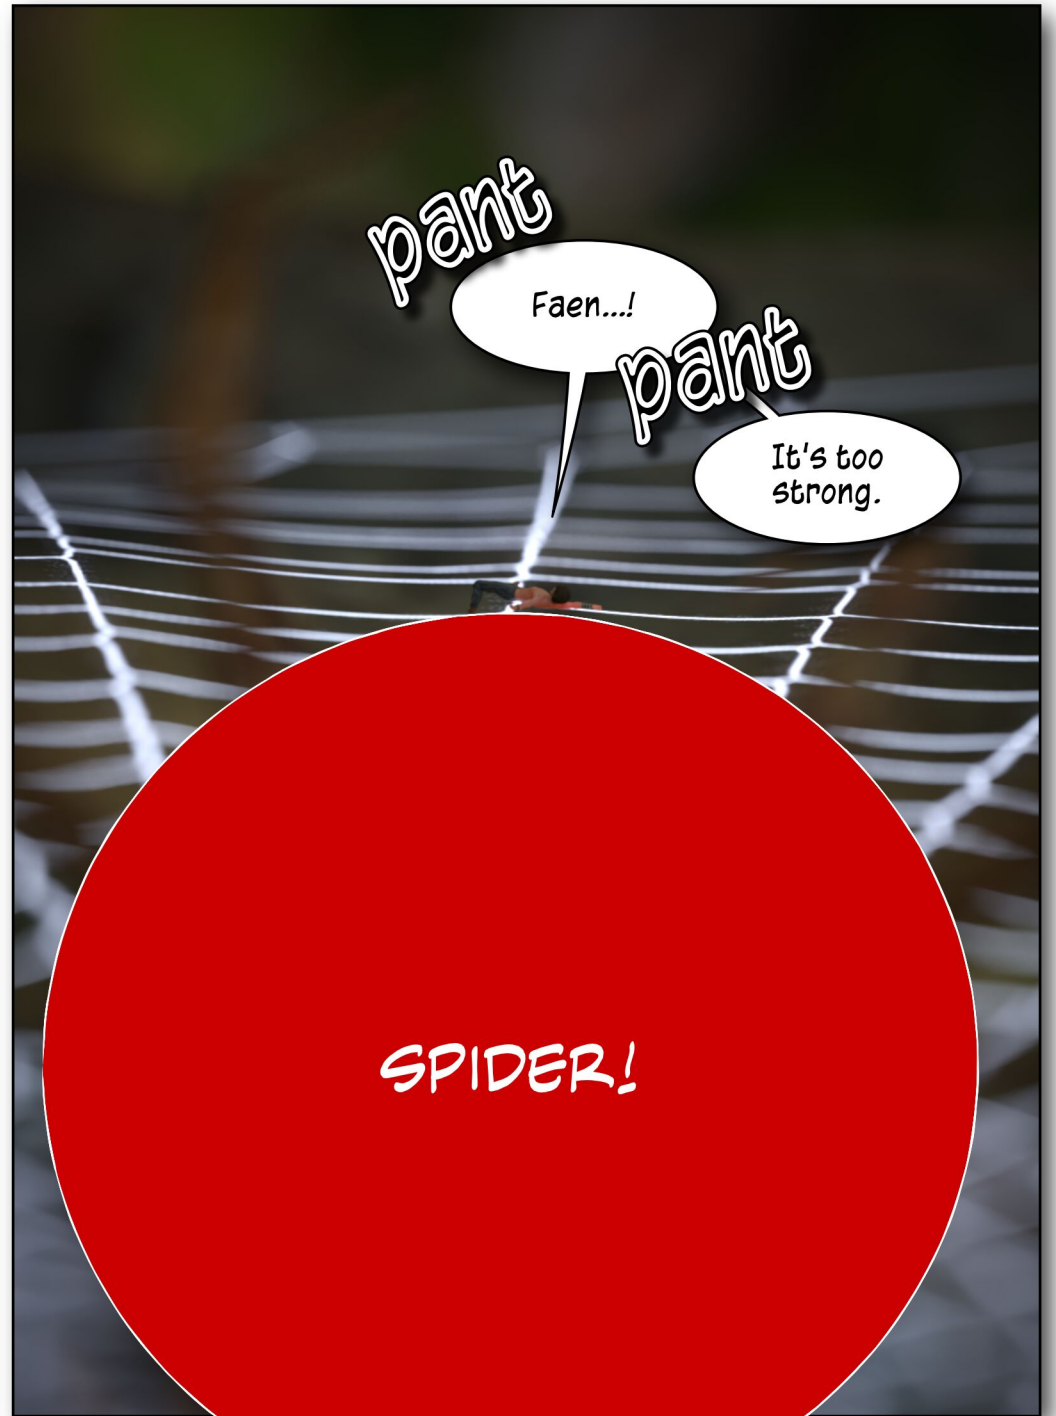

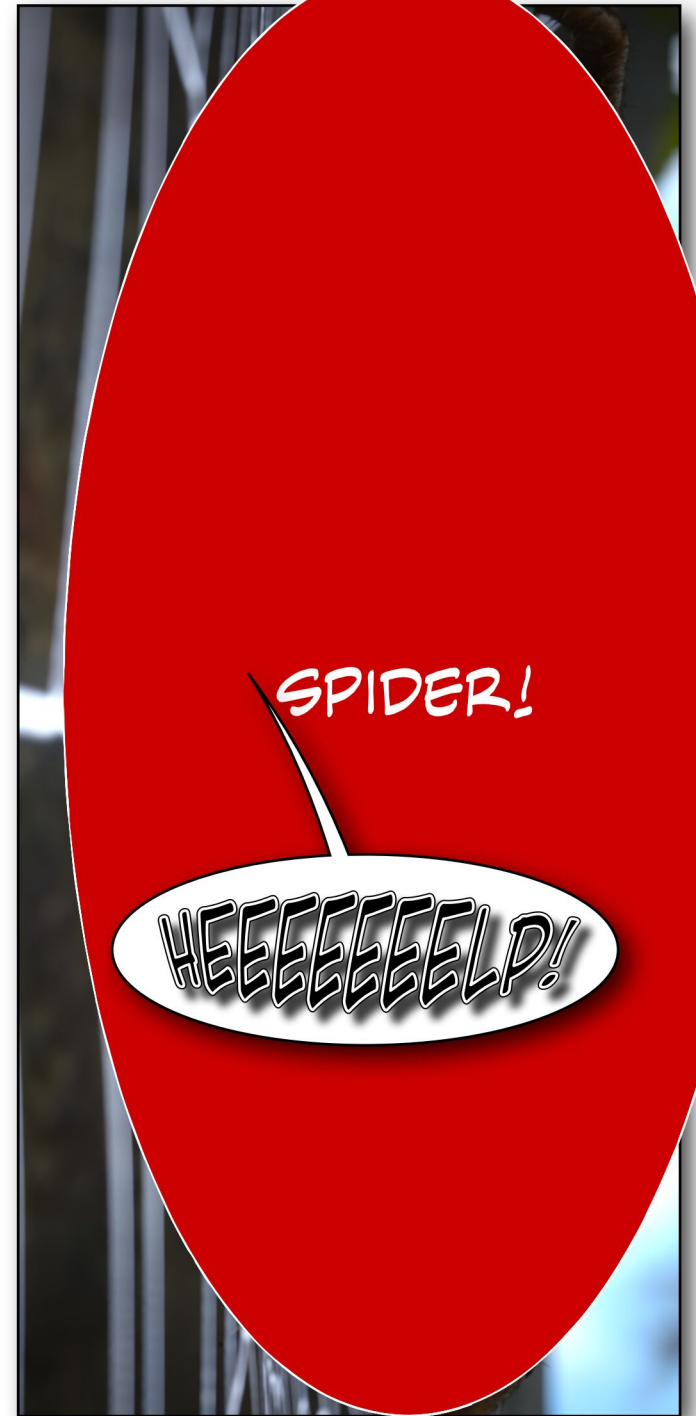

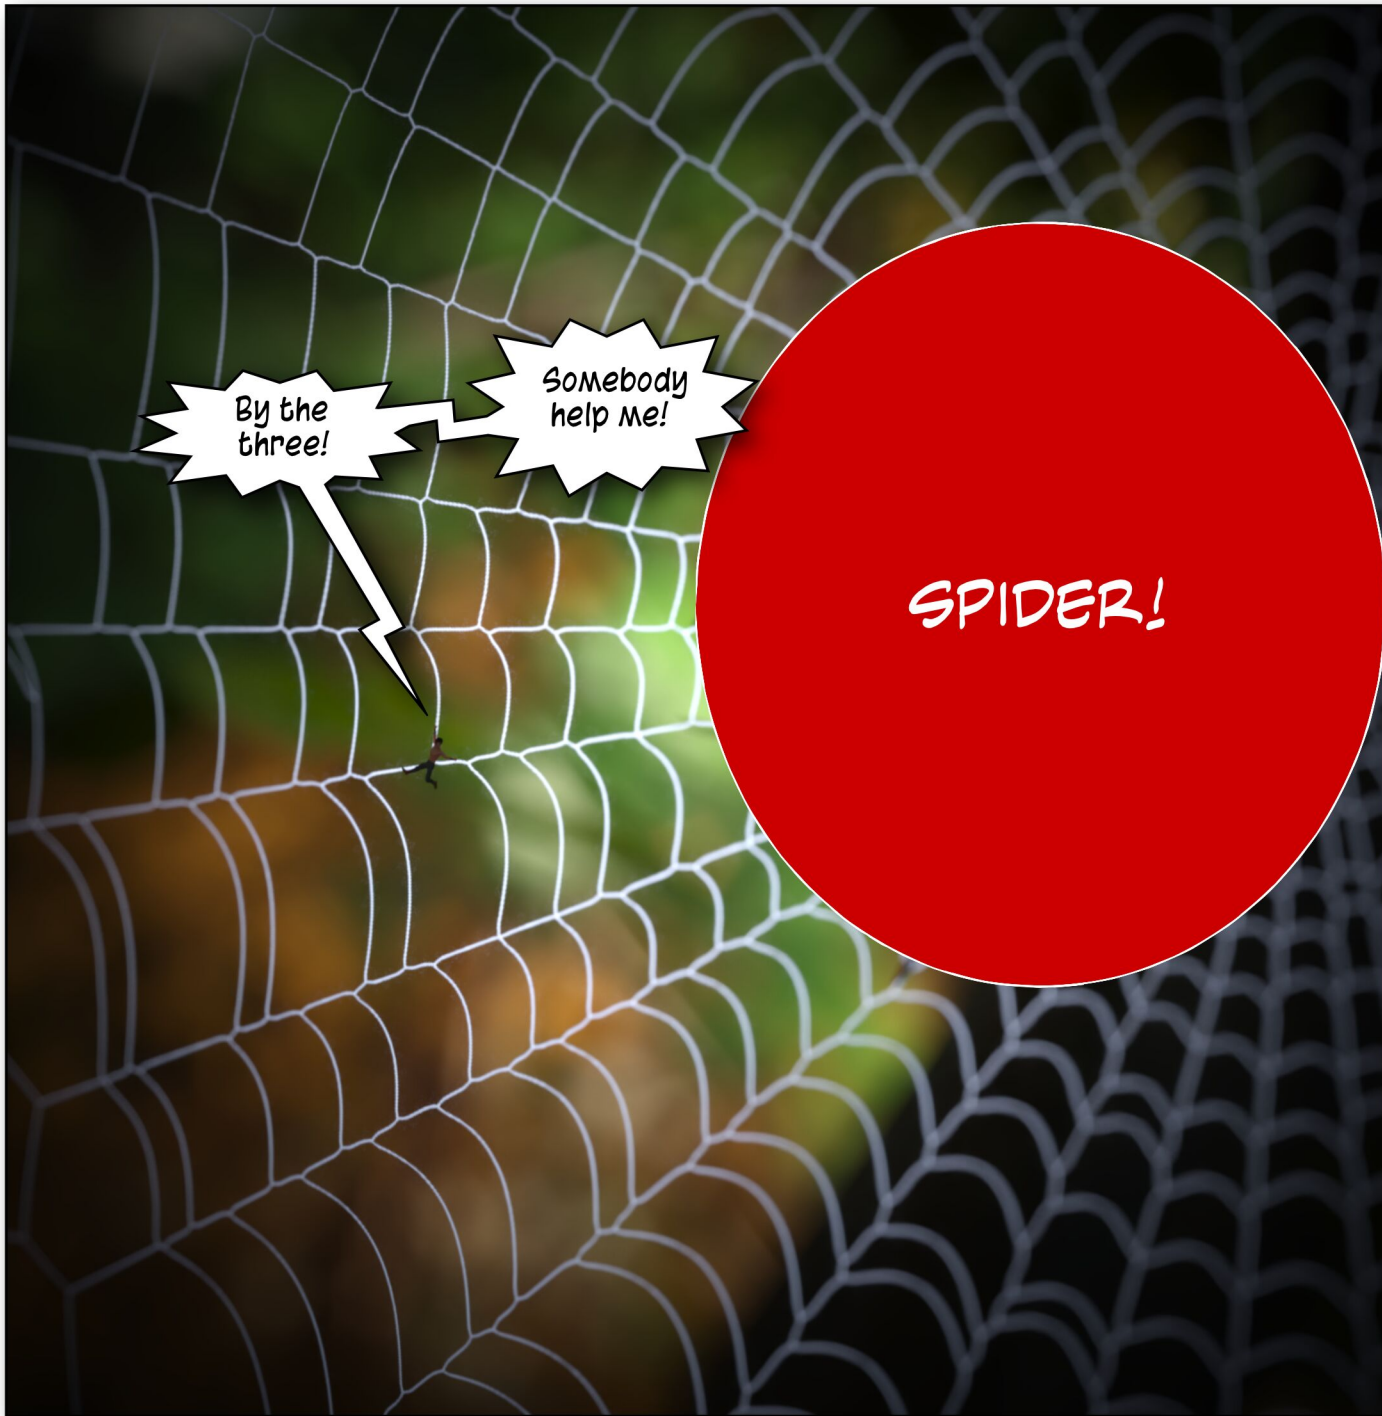

**Gods, no!**

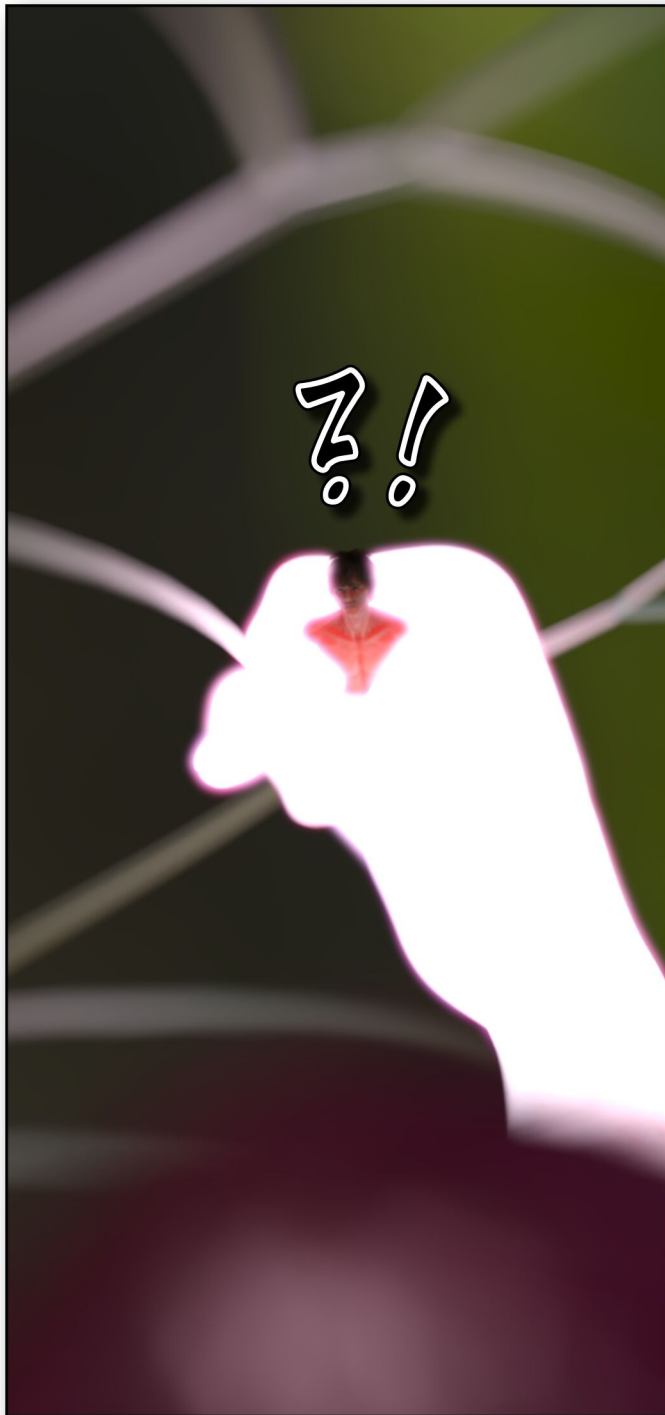

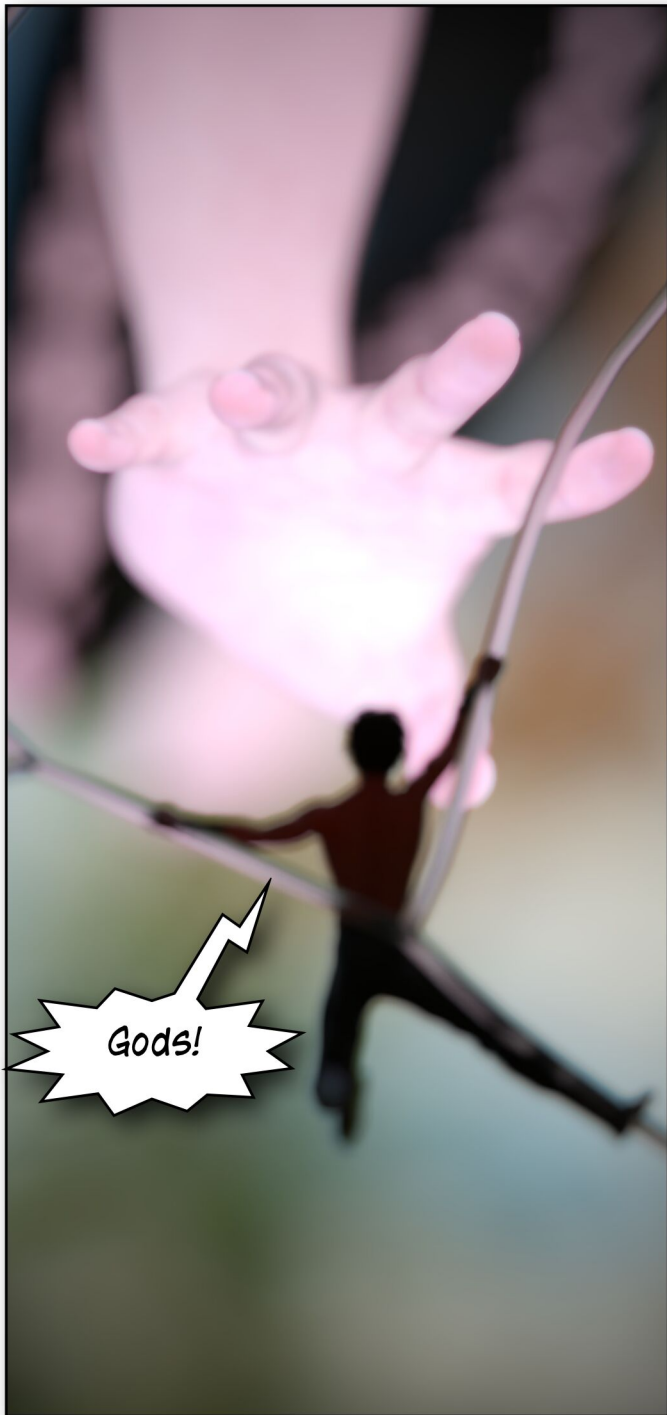

**SPIDER!**

**BY TIBT © 2024**

Keld is not food, foul creature!

SPIDER!

BY TIBT © 2024

SPIDER!

AURIN,  
NOOOOOOOO!

SWOOSH!!

PUNCH!

SPIDER!

Take that!

Aurin...  
Please...!

Don't worry, little Keld.  
I'll keep you safe!

Now,  
let's find  
some place to  
lay low...!

A glowing, ethereal figure with a bright purple and white aura is flying through a dense, green forest. The figure is positioned in the center of the frame, and its light illuminates the surrounding foliage.

So,  
where shall  
we go...?

A character with a glowing purple and white aura is shown from the side, pointing their right hand towards a thatched hut. The hut is made of woven reeds and is situated in a forest. The character's face is partially visible, showing a determined expression.

Keld  
look!

It's a human  
burrow!

That's  
the perfect  
place!

Aurin, wait!

Looks like nobody is home.

That's unfortunate.

Or rather...

Very fortunate!

No one here...

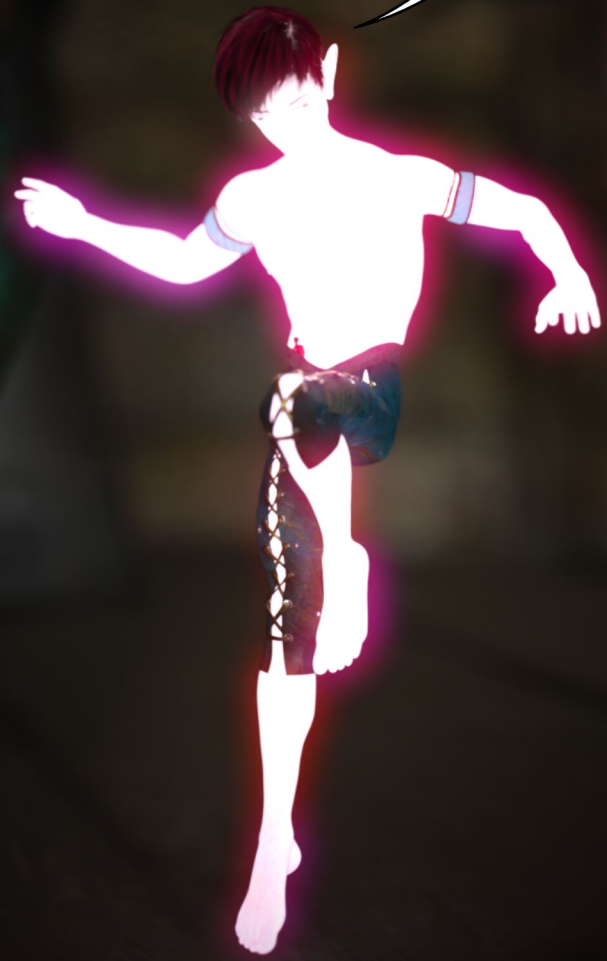

Or here...

Don't go so fast!  
Please!

Pretty abandoned, if you ask me.

I'd say  
we're safe  
here.

I'm sure  
you've had a  
lot of fun.

Haven't  
you, little  
human?

Fun?

FUN?!

Are you  
out of your  
Mind?!

You could have killed me!

So, grow me back now before something...!

YIKES!

Gn ahhh!

SMACK

I'll make sure you're unharmed.

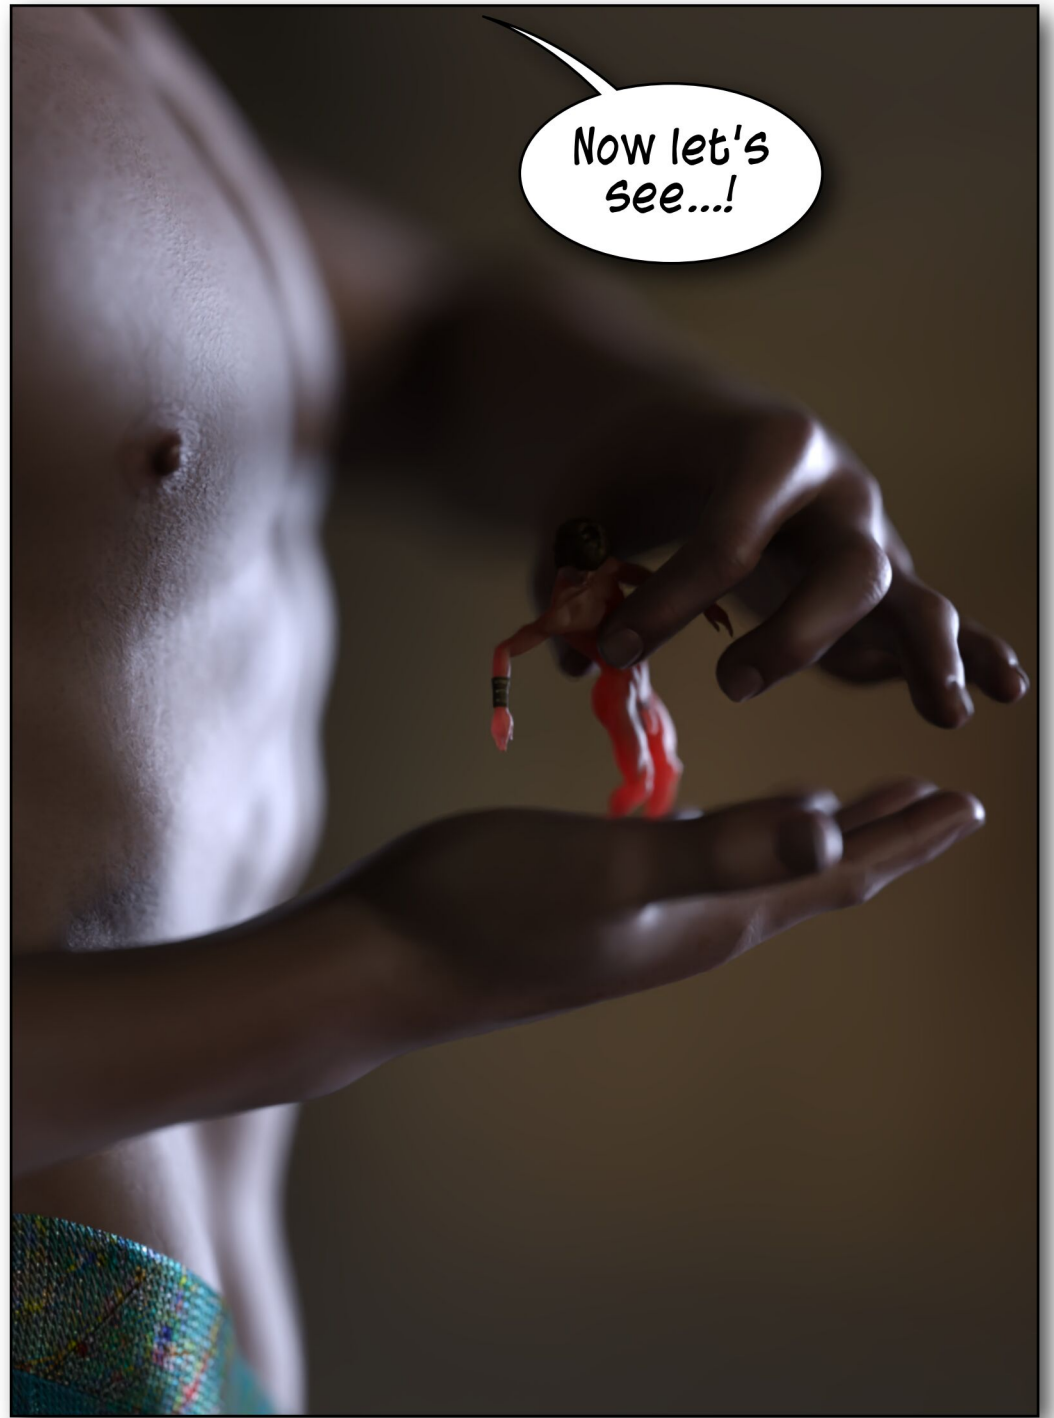

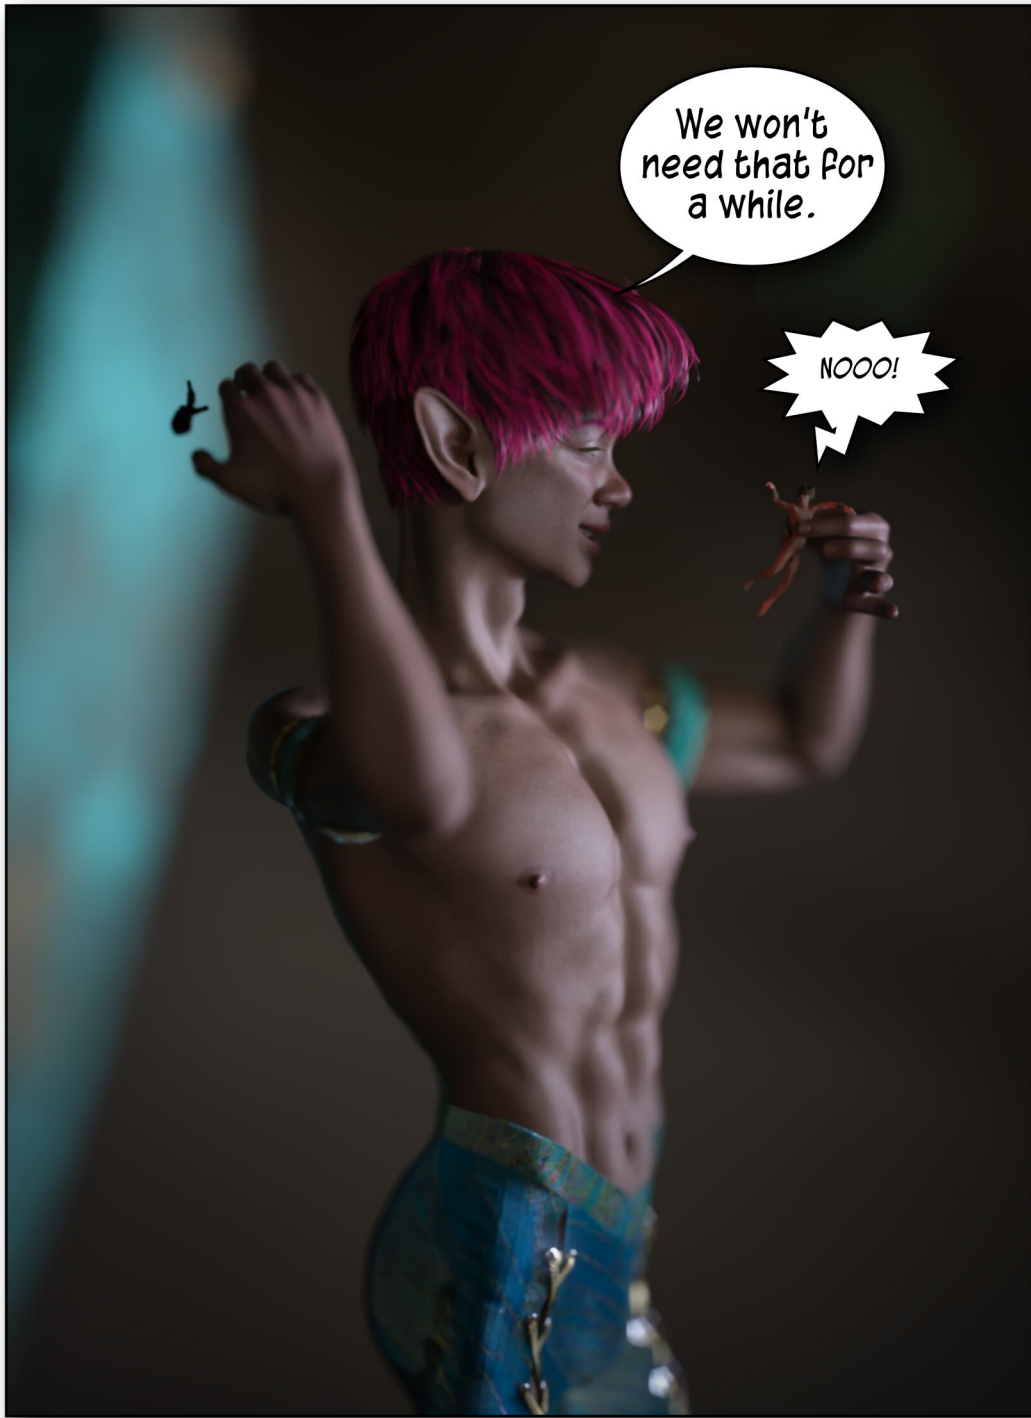

Speaking of, let us check if you're intact.

What do you...?

No, no, no, no, no!

Everything seems to be where it should be.

No, stop this!

Really everything...

AURIN!

Oh, don't tell me you're shy!

Worry not!

**BY TIBT © 2024**

!!!

I'll Follow suit.

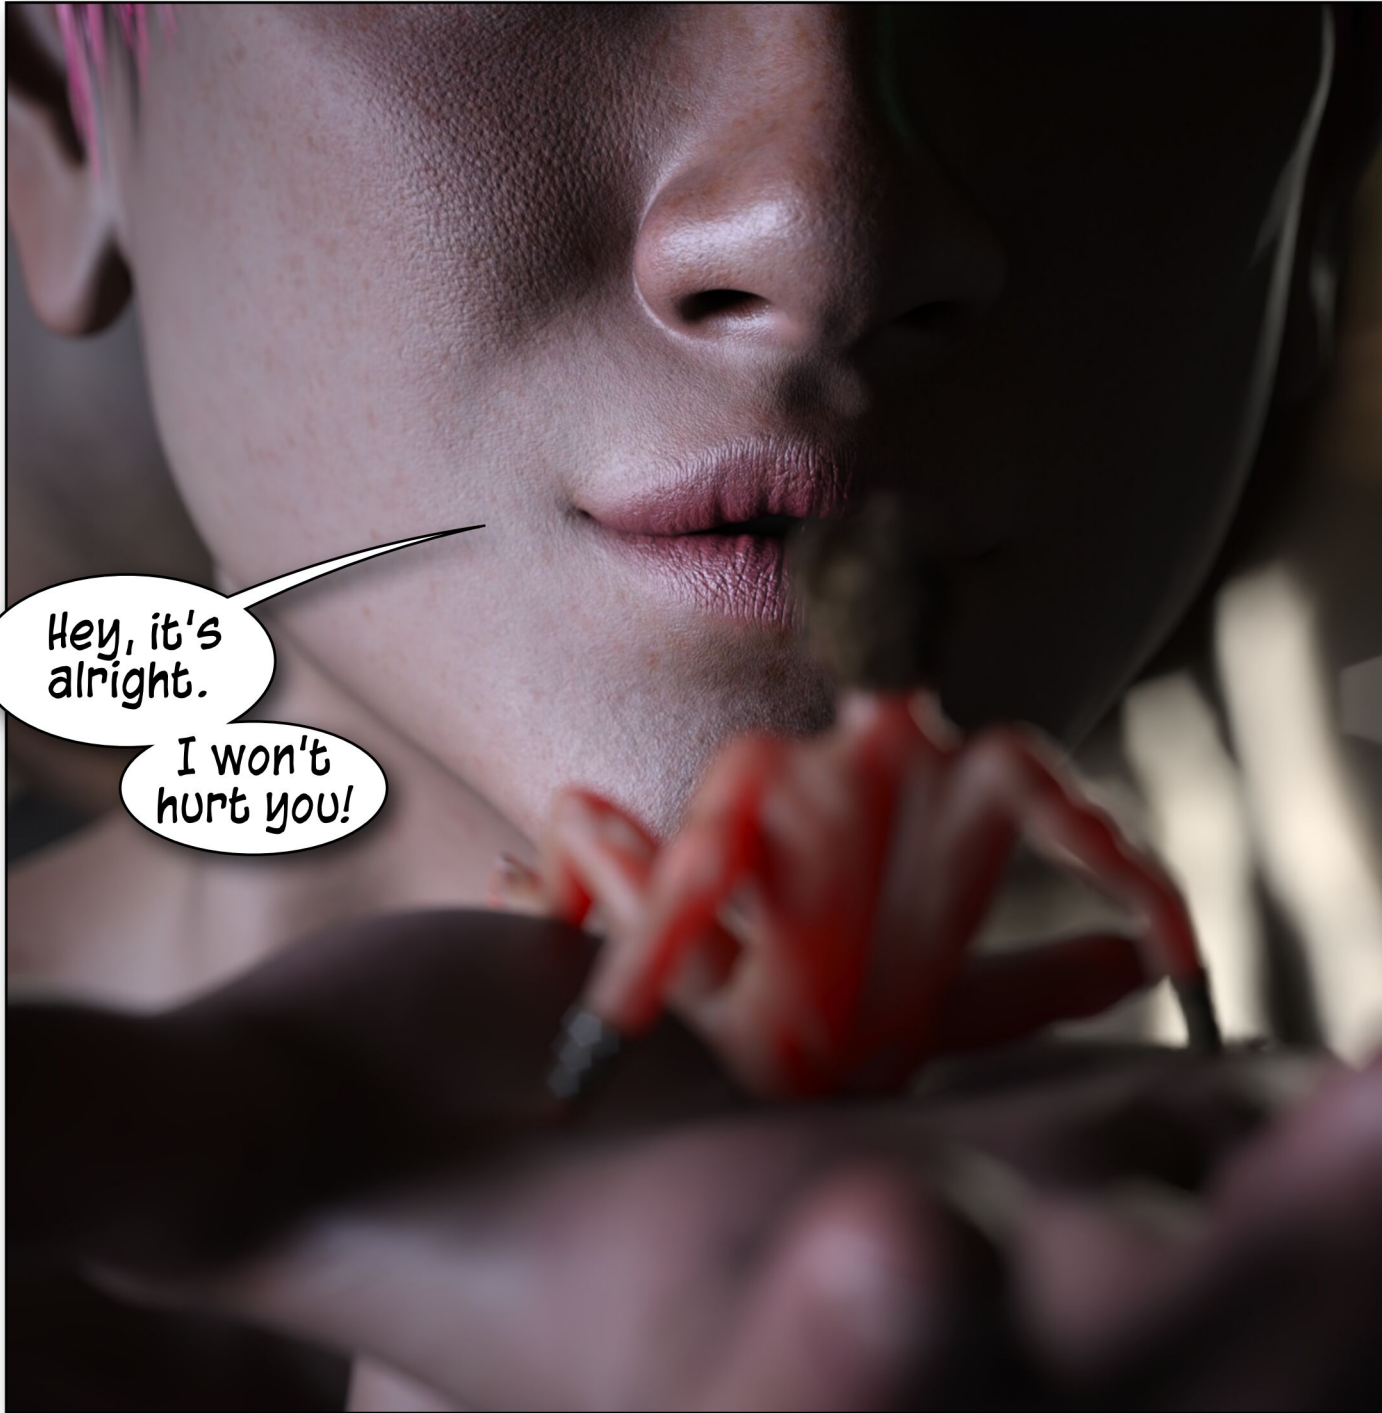

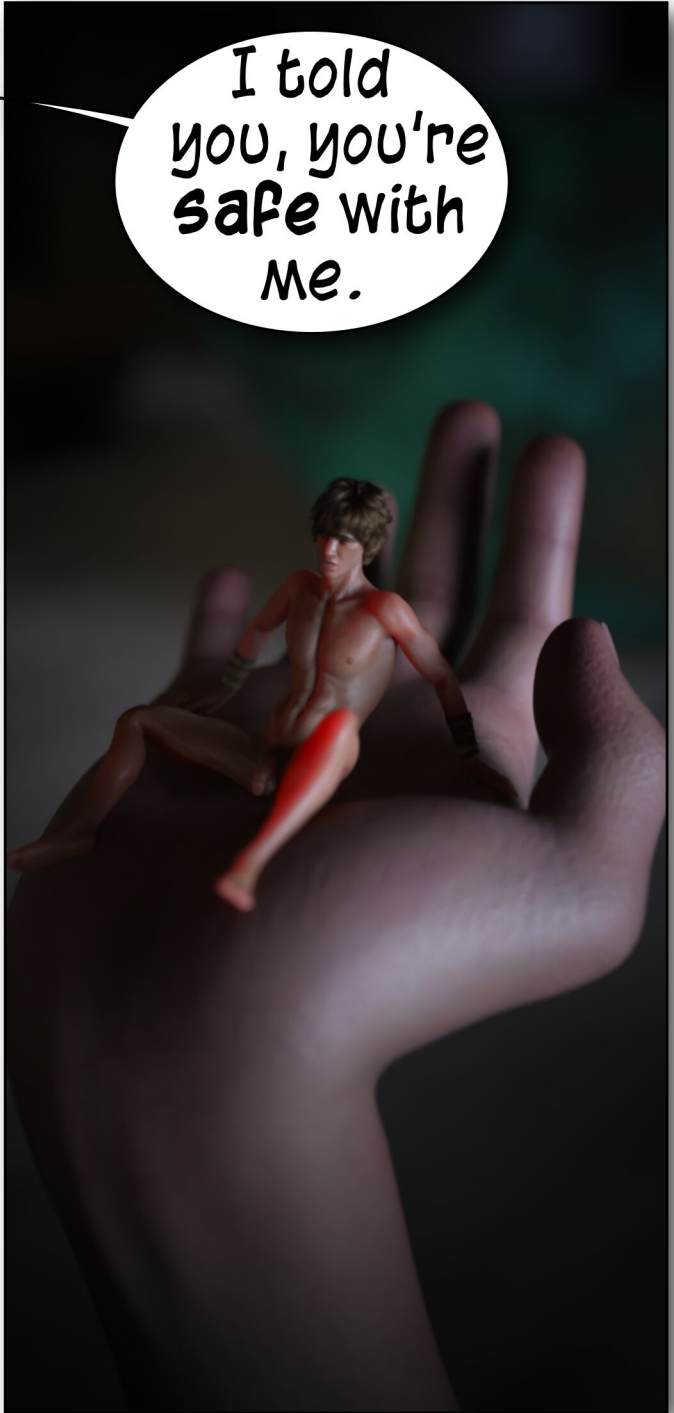

Hey, it's alright.

I won't hurt you!

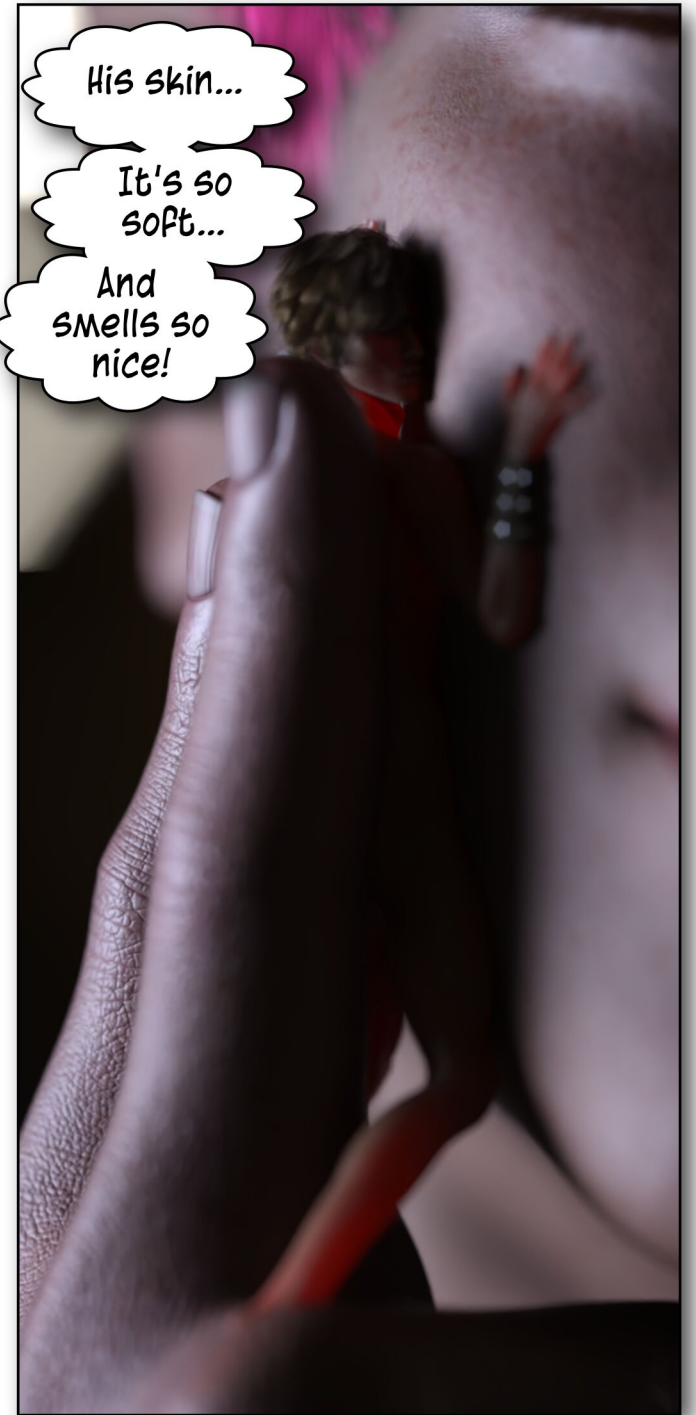

I told you, you're safe with me.

Let us  
enjoy the time  
until that  
happens!

His skin...

It's so  
soft...

And  
smells so  
nice!

Let's see...

It's so big!

Go ahead!

Touch it!

**BY TIBT © 2024**

lick

Mhhhhhh!

A character with short, vibrant pink hair and large, dark, bat-like wings is relaxing in a large, circular hot spring. The character is lying on their back, with their arms raised behind their head and legs extended. They are wearing a blue and white striped bikini top. The hot spring is filled with a dark, mineral-rich liquid, and the surrounding environment is dimly lit, suggesting an indoor or cave-like setting. Three speech bubbles are positioned above the character, containing text.

This  
feels really  
nice!

Admit it!

This  
isn't your  
first time, is  
it, Keld?

I'd like to return the favor...!

Uhm...

Alright?

Faen!

poke

AM I doing this right?

HeHeHe

rub

**BY TIBT © 2024**

Amazing...!

We can agree on that.

Let's see if this works...

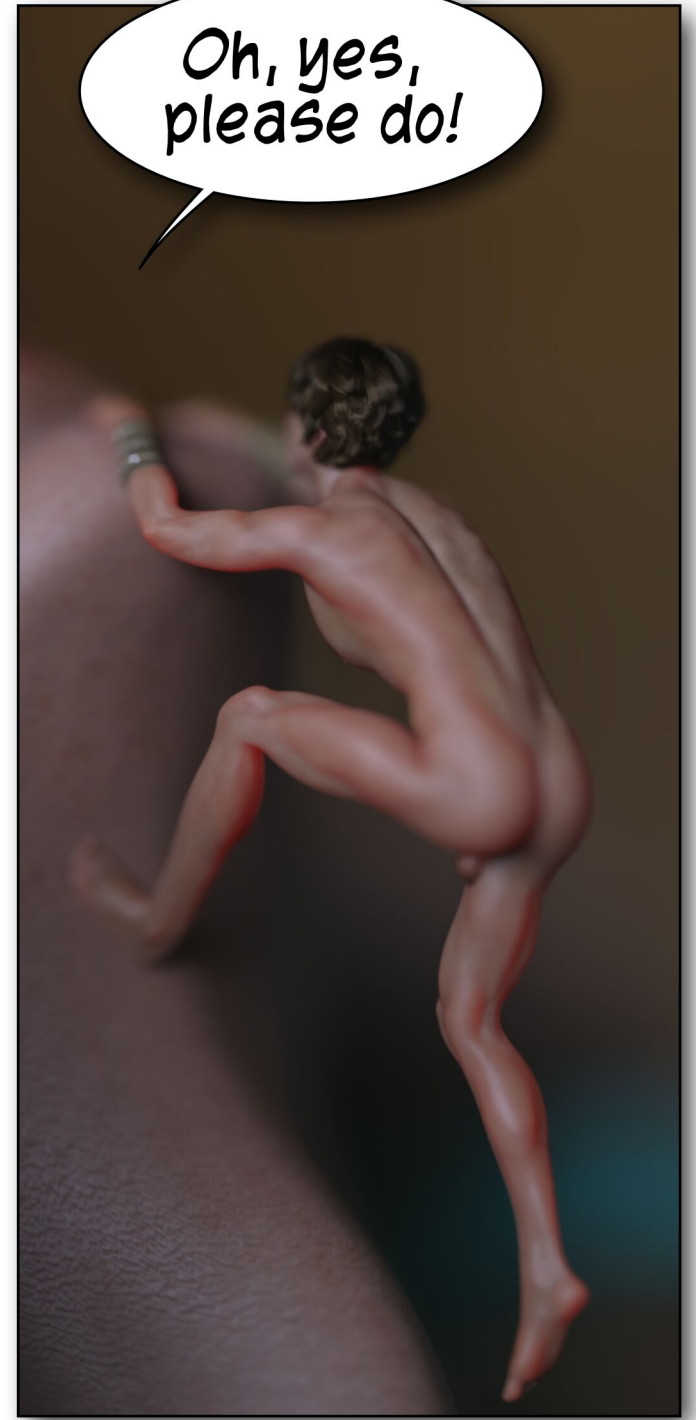

Aren't humans the most adorable creatures?

He He He

huff!  
huff!

I'll show you just how adorable!

Oh, yes, please do!

You weren't jesting...

KISS

I would never...

Wait...

Could it be?

AM I  
bigger?

He He He

I thought  
you'd never  
notice.

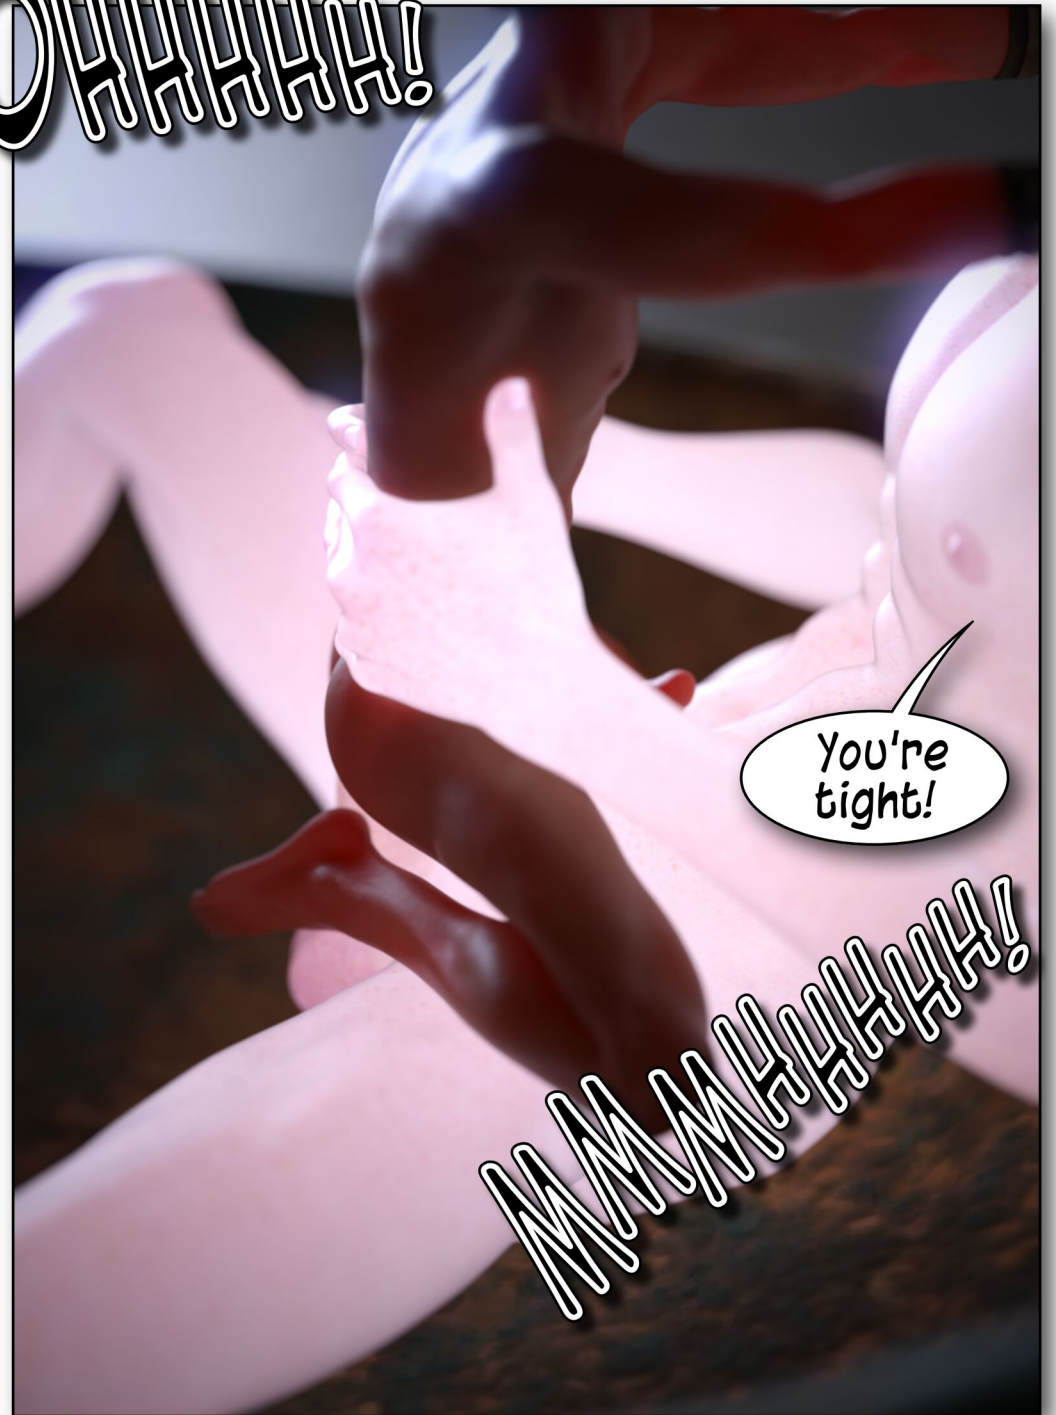

Come  
on, let us  
waste no  
time!

Let us see how brave you really are...

OHUUUUU!

You're tight!

MMMMUUUUUU!

Are you sure you want to continue?

Why?

You're scared or something?

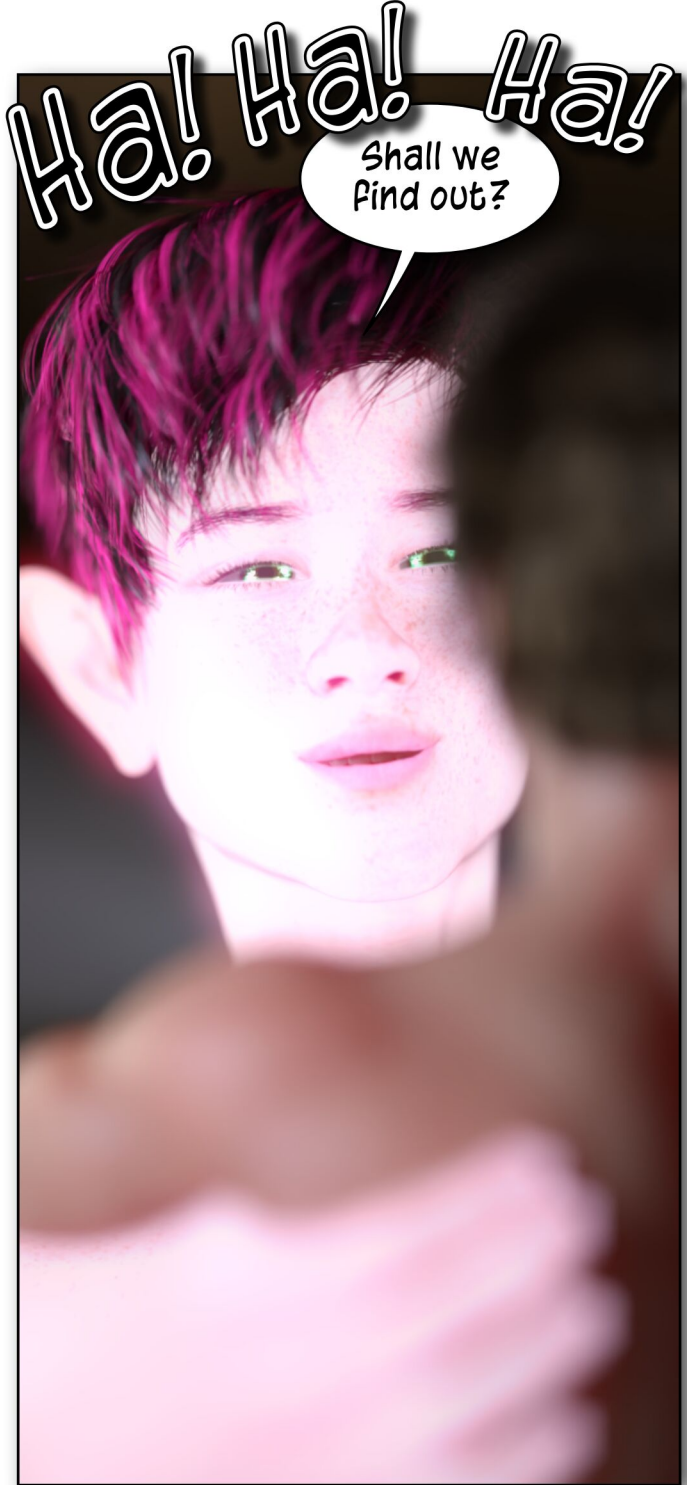

I'm only getting bigger!

Are you sure you're up to the task?

huff!

huff!

huff!

Ha! Ha! Ha!

Shall we find out?

**BY TIBT © 2024**

You're a fairy of many talents...

**BY TIBT © 2024**

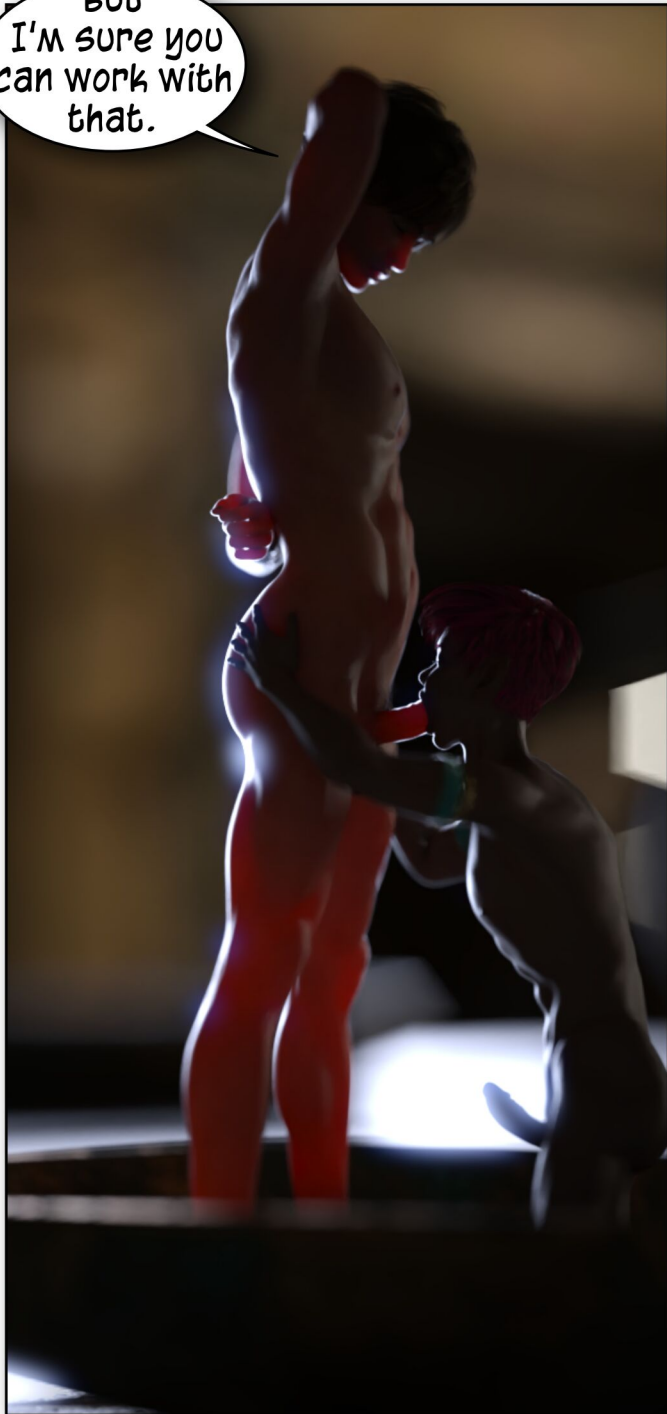

Ugh...

Getting cramped here.

I need to get up.

But I'm sure you can work with that.

**BY TIBT © 2024**

huff

Yes...

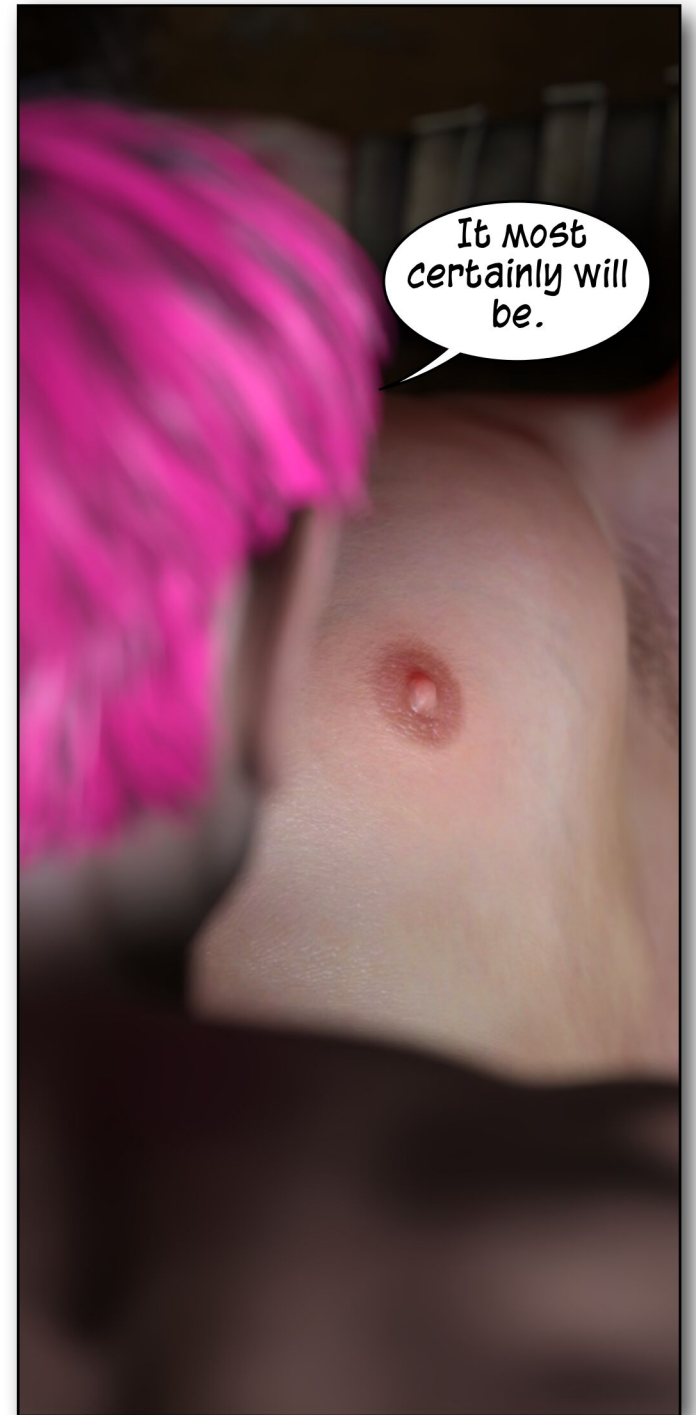

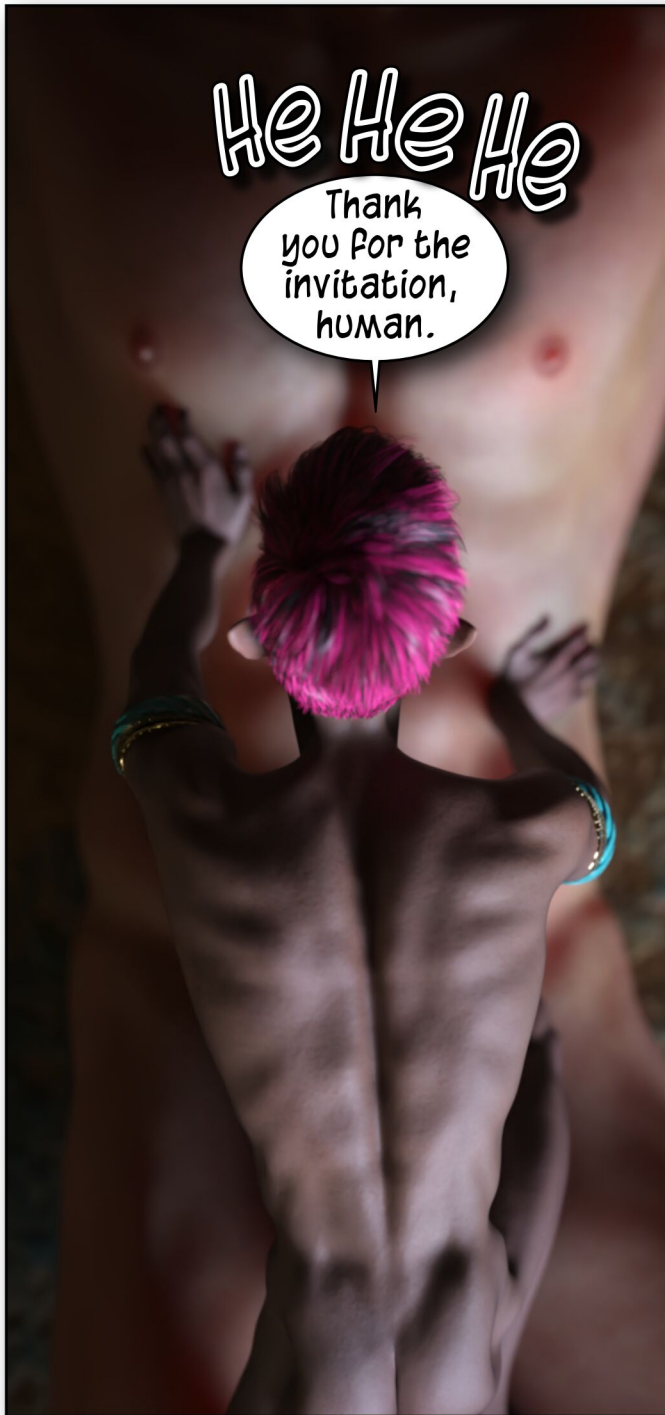

huff

Works...

MMMMhhhh!

You're serious...

gasp!

He He He

By the three!

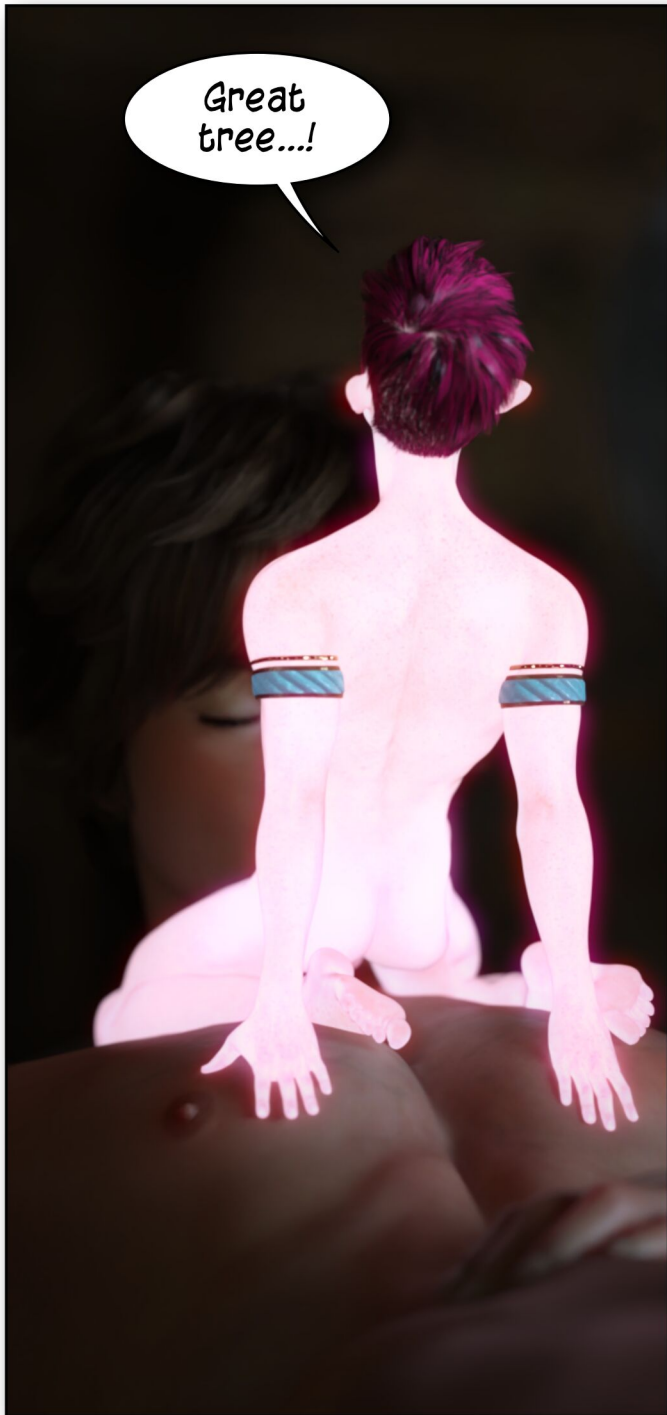

Alright.

Now it  
is **my** turn  
again!

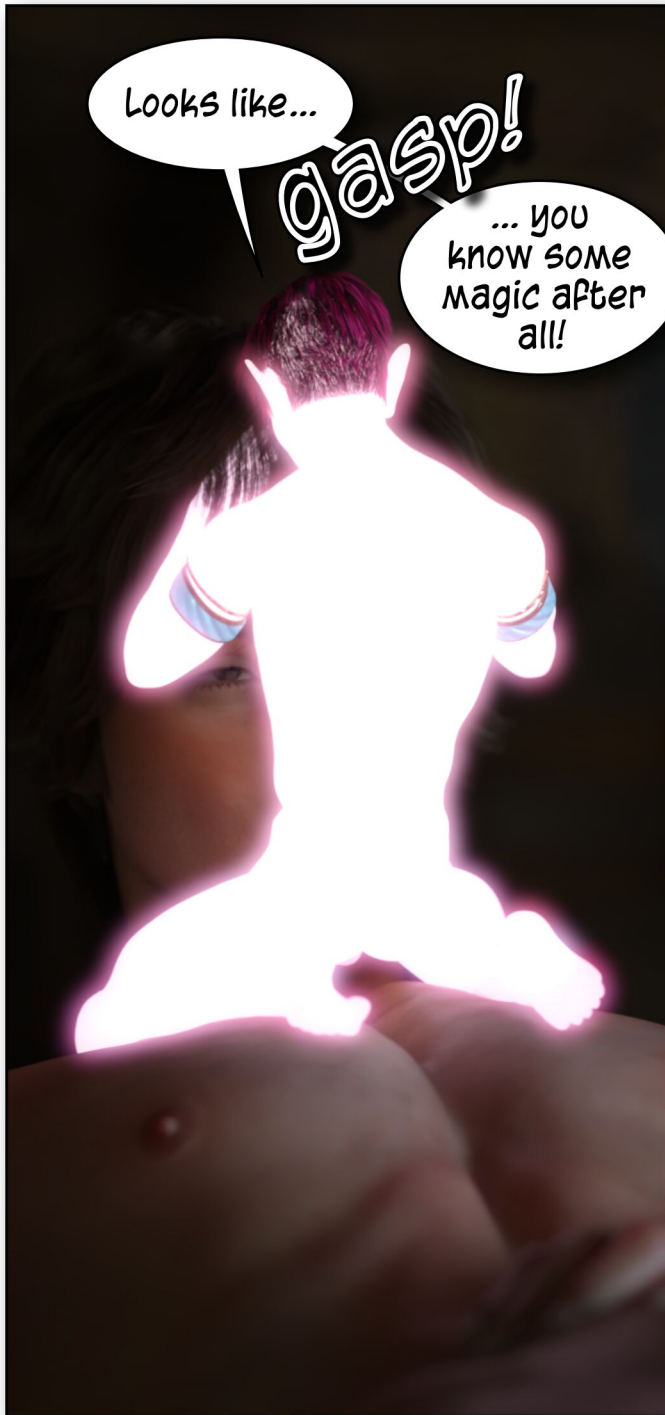

*Ohhhhhh!*

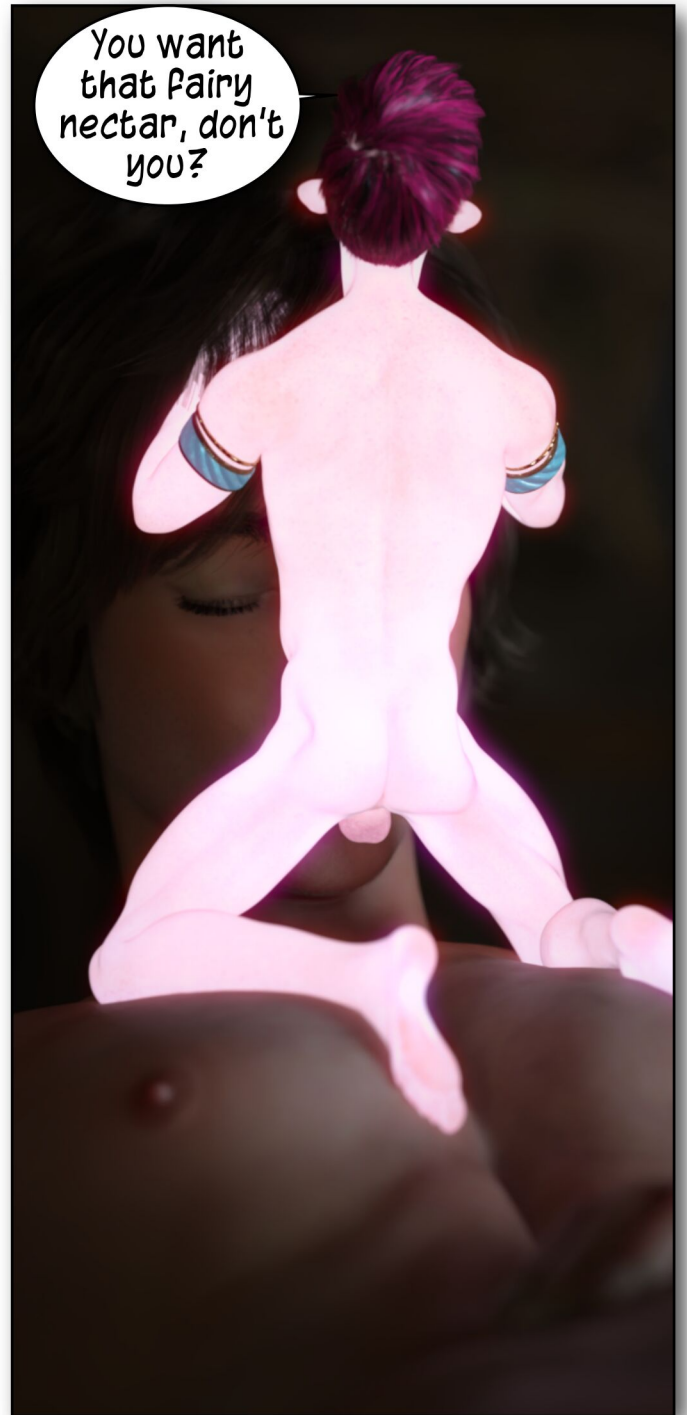

Great tree...!

Looks like...

*gasp!*

... you know some magic after all!

You want that fairy nectar, don't you?

You sure do...

But I'm not done yet.

HeHeHe

Ha!

So, I  
guess fairies  
have **strange**  
desires?

Maybe.

Or perhaps it's  
just me...

thrust!

Ugh...

The plate is too small too...

I guess I'll just sit down here.

Ha!

I've  
figured as  
MUCH.

Huh?

I hope  
everything's to  
your liking,  
Fairy.

Very much indeed.

This is the best Foot massage I've had in ages.

Ha!

We seem to have different understandings of what a foot massage is.

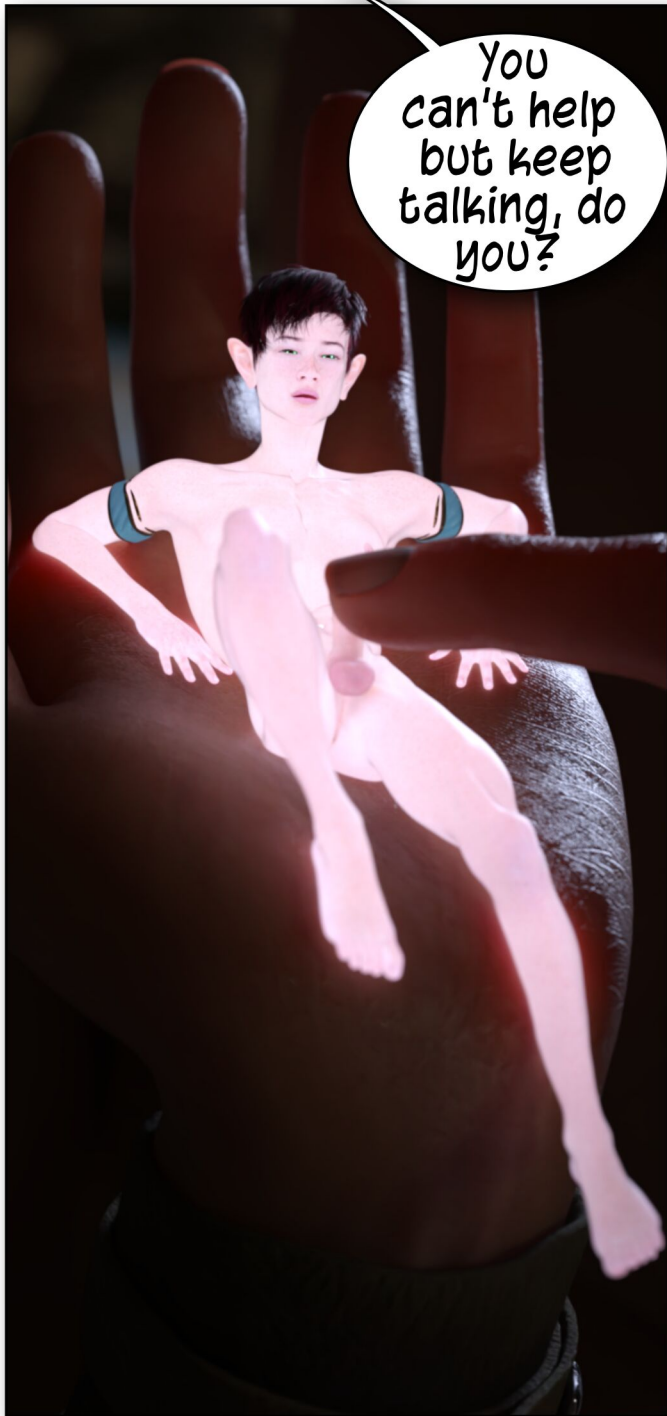

Do we?

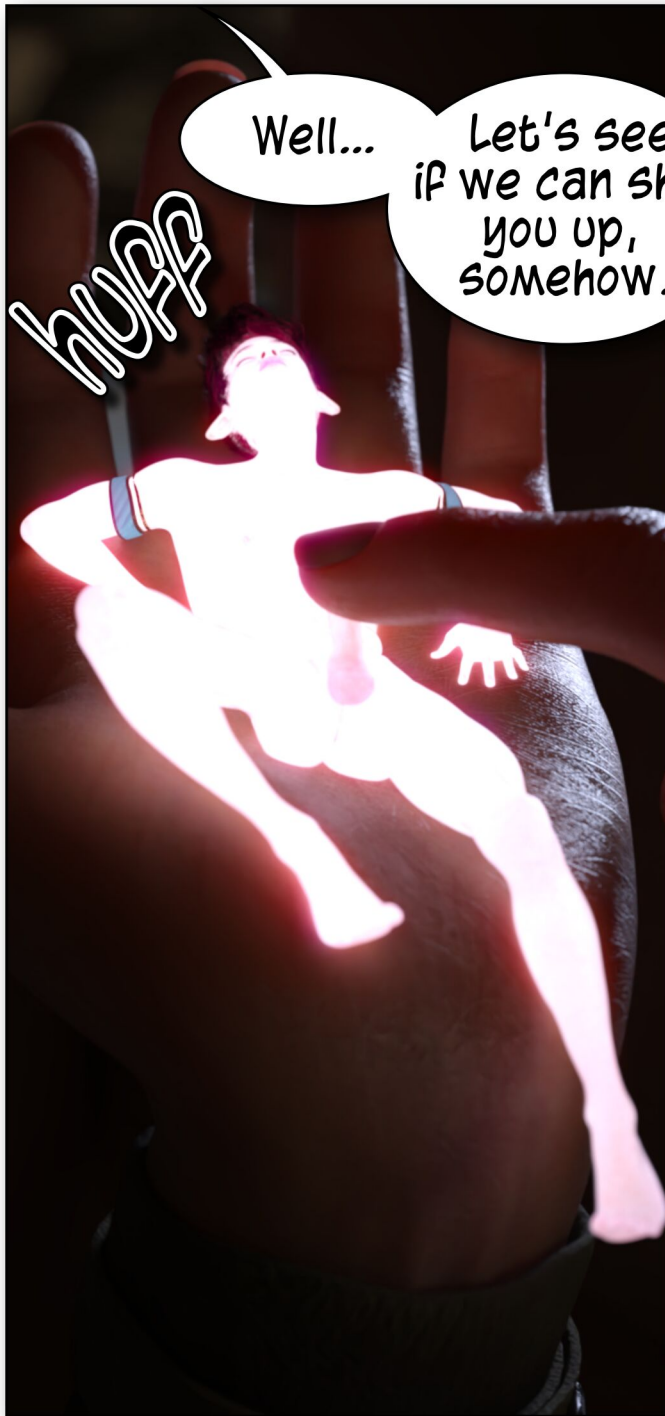

Guess humans are  
even weirder than I  
thought.

Cheeky,  
little firefly.

You can't help but keep talking, do you?

Well...

Let's see if we can shut you up, somehow.

huff

I have a feeling this is working.

Mhhh

Let's see how big I am.

Amazing...

I can hardly fathom that I was smaller than you.

Now  
you're smaller  
than my  
member.

And I'm not  
even back to my  
true height.

**BY TIBT © 2024**

That may be  
so...

But  
size matters  
nothing.

Let me show  
you!

**BY TIBT © 2024**

Look at the little human squirm.

He He He

**BY TIBT © 2024**

Dad, have mercy...!

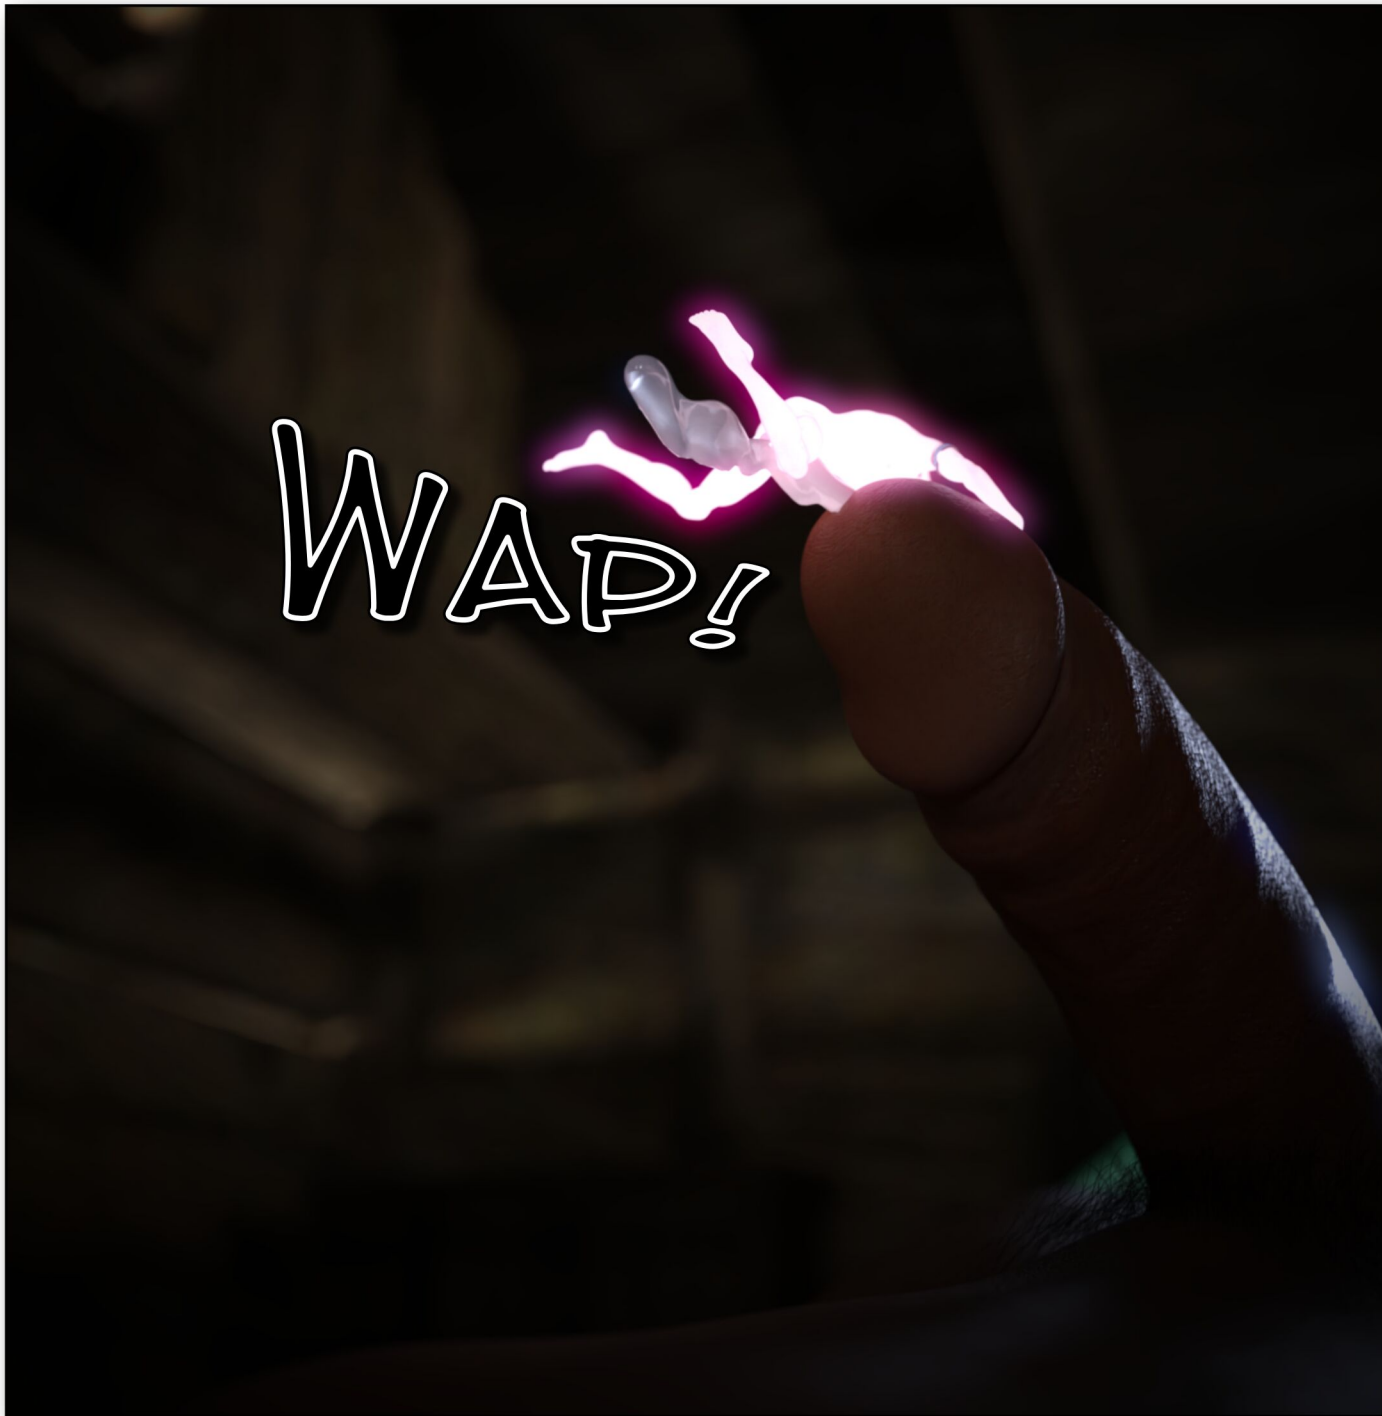

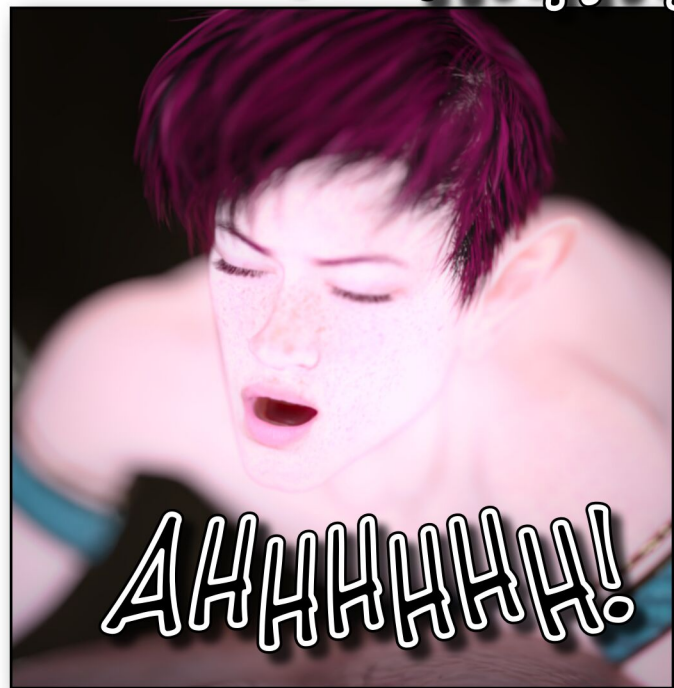

**BY TIBT © 2024**

**BY TIBT © 2024**

Dar,  
help me.

This was  
incredible.

**BY TIBT © 2024**

This is  
what we call  
fairy magic,  
little human.

He He He

lick

I must admit...

I didn't expect this...

Like...

All of this.

You mean the shrinking, falling for a fairy, being a fairy's toy...

So did you.  
Don't deny it!

You really enjoyed that part, didn't you?

As I said.

Alright.  
I admit it.

I can't remember the last time I had this much fun.

I don't think I've ever had this much fun.

It most certainly was a lovely day.

Will I ever see you again?

Whump!

The world is quite small when you have the right attitude.

So, if you want to, we'll see each other again.

**BY TIBT © 2024**

What?

No!

Grow them  
back!

Aurin?

**AURIN!**

He He He He He
