

## **PAGE C11-P06**

### PANEL 1

Still tied up and with her pants halfway down, Lady Whisper looks down at Daisy. The top back half of Daisy's head hides the "action," but it's pretty clear that she's about to give Lady Whisper a blowjob.

LADY WHISPER

Daisy, come on, you can fight this.

DAISY

I... My hands are moving on their own.

### PANEL 2

Zoom out a little, still seeing the action straight from behind Daisy, who now has both hands in front of her mouth, "helping" herself to Lady Whisper's new appendage. Whisper is gritting her teeth, still looking down at Daisy, trying to urge her friend to stop.

LADY WHISPER

NO! Cathol, don't put that in your mouth!

DAISY

I KANK HEL PIP\*

CAPTION

(bottom right)

\* "I can't help it."

### PANEL 3

Vertical panel (left side). We see Lady Whisper getting her blow job (still from behind Daisy) from head to toe. Lady Whisper is looking up and left, trying to ignore what's happening to her. We are looking somewhat upward so that we see part of the rafters above the pair. Two tiny shapes are almost unnoticeable.

LADY WHISPER

(thinking)

By the pit, this feels GOOD.

DAISY  
MmmMMMmMFFffff!

PANEL 4

Pan slightly away and zoom in to focus on two small shapes hidden in the rafters (dark outlines of two small creatures with dragonfly wings).

LADY WHISPER  
(from below panel)  
Oooh, it's starting to happen...

DAISY  
(from below panel, each "MMF!"  
bigger and bolder than the previous  
one)  
MMF! MMF! MMF!

PANEL 5

Standing on the rafters, Little Attitude (left) looks with concern at Autumn (right), who's looking down at the action far below with a smile.

LITTLE ATTITUDE  
Shouldn't we help her a little?

AUTUMN  
Nah.

AUTUMN  
Why?  
(cont'd)  
She's having a good time.
